BASKET-BALL QUINTETS NUMEROUS ON UNI FLOOR

Nearly seventy-five basket-ball enthusiasts greeted Coach Stiehm Wednesday evening at 7:30.

First team material was there in full force. It looks now as though the whole string of first team men would be back in the game, for the following "N" men reported: Frank, Gibson, Carrier, Hiltner, and Owen. Of last year's freshman squad, Nagl, Haskal, Stryker, Martin, Underwood and Hyde were on the floor. Each of these men are zealous candidates for a 'varsity position.

Light practice in passing and dribbling was gone through.

The 'varsity is to have the main floor on Monday, Wednesday and Friday at 7:30, and at 4 on Tuesday and Thursday. At the same hours the freshman squad, coached by Reynolds, will occupy the smaller floor.

TO RESUME FOOTBALL

STANFORD AND CALIFORNIA GRADUATES FAVOR RETURN TO AMERICAN GAME.

Decision that the rugby brand of football is inferior to the old type was reached recently at a banquet of the graduates of Stanford and the University of California, the only two co-incident institutions in the United States where the English game is played.

Despite the opposition of President David Starr Jordan and Benjamin Ide Wheeler, it was decided to take active steps at once toward the re-introduction of the American game into the two colleges, and toward arranging a Pacific Coast championship schedule.

EAR MUFFS

T. Pontius Quinn was sitting upon a baggage truck when the porter went by. He asked him as he heard the whistle blow "If the train is due is the engineer?" Three bells, please.

We notice that a piece has been turned in regarding the wrestling "N"s. Have you seen the workouts yet?

WRESTLERS PLANNING MEETS ON STRANGE MATS

The Wrestling Club held an enthusiastic meeting yesterday morning and it was decided to hold the contest with Iowa about the middle of February, with the tryouts about two weeks previous to this time. An attempt will be made to schedule meets with Kansas, Ames and other Missouri Valley teams.

The Wrestling Club, although less than a year old, numbers almost sixty active members. O. W. Miller is president, and Leroy McCormick, secretary-treasurer of the organization.

Gym shirts with wrestling "N" will be given to winners in the tournaments, while dual meet winners will receive the full "N."

CAP ORDERS COME FAST

HALF A HUNDRED NIFTY HEAD ORNAMENTS ALREADY AC-COUNTED FOR.

Fifty freshman class caps have been ordered since the committee began taking orders Tuesday. It is expected that many more than the original estimate of one hundred caps will be needed to furnish all the loyal "frosh" who wish to don the 1915 headgear.

President Bob MacFarlane and Wiley, Sloan, Coffey and Doud of the committee are canvassing the class for orders, which are also being taken at the Nebraskan office.

The committee chose the style and color of the caps at a meeting yesterday noon and will order the sky-pieces as soon as all who want them have told the committee the size of the cap required and made the deposit of twenty-five cents.

The "bulldog" and "skull cap" types of headgear were passed up by the committee, and a cap of up-to-date shape and size has been chosen. It will be brown, with the class numerals in gold.

Samples are on exhibition at the "Rag" office.

The chairman of the committee intends to place the order with the manufacturer within a week, after which no more caps can be secured at the special price of one dollar.

The Junior Hop will be given December 9th, at the Lincoln Hotel. You had better get your tickets early, as the dance will be limited. Tickets can be purchased from Radcliffe, Potter, Hein and Hyde. E. L. HYDE.

Up at Minnesota the red (or auburn) haired men have formed a club, the charter members being fourteen in number. Red-headed men are, by self-confession, the smartest people in any school, so we think this is a trust exercising that undue restraint of brain distribution which higher tribunals than police courts declare unlawful. But the "Rag's" C. E. approves of it.
