## NEEDY STUDENTS AIDED PURPOSE OF LOAN FUND

COMMITTEE ANNOUNCES RULES  
GOVERNING PLAN.

### PREFERENCE TO UPPERCLASSMEN

Fund of Three Thousand Dollars De-  
voted to the Use of Deserving  
Students—Fund to Increase.

The Board of Regents yesterday adopted the following rules for the loaning of money from the students' loan fund to needy students. Information concerning the application blank may be gained from Professor Chatburn:

1. The student loan fund shall consist of the donations received for the benefit of students of the University of Nebraska from Mr. J. R. Webster, Omaha; Dr. J. A. L. Waddell, Kansas City, Mo.; Hon. W. G. Whitmore, Valley, and such other funds as may hereafter be donated for the purpose, together with the accrued interest from the loaning of said fund. This fund is in the custody of the Regents of the University for the benefit of the students, but is not to be regarded as a part of the University's resources.

2. Loans shall be made to students from the fund in accordance with the wishes of the several donors and in accordance with the rules and regulations adopted by the student loan committee and approved by the Board of Regents for the administration of the same.

3. A committee consisting of two members of the University Senate and one member of the finance department, who shall be treasurer of the fund, appointed by the Chancellor as representing the donors, shall have direct charge of the loaning of the fund and shall pass upon all applications for loans; but no loan shall be made without the approval of the Chancellor. The treasurer shall give a bond to the Regents for the sum of \$3,000.

4. Each application shall be upon a blank form provided for the purpose, properly filled out, and no recommendation for a loan shall be made without the favorable endorsement of the entire committee and the Chancellor upon each blank.

5. The committee, before granting any loan, must be thoroughly convinced of the student's real need for assistance; and it will, moreover, be considered a ground for the refusal of the application if it is found that it is made as a matter of convenience to avoid the necessity of earnest effort on the part of the applicant to obtain the necessary money from relatives and friends.

6. In making loans the committee will take into account the moral character of the applicant, his habits for temperance and industry, and his assiduity and success in his studies.

7. Applicants belonging to upper classes will be given preference and no loan will be made to a student who has not been matriculated at least one year. Likewise preference will be given to those who have not formed expensive habits or belong to expensive societies or organizations.

8. The amount loaned to any one student shall be limited to the actual needs of the applicant, and, except in

## JERRY WARNER CHOSEN TO LEAD CORNHUSKERS

### Is Unanimous Choice For Next Football Captain--Champion Team Awarded Gold Mementos

"Jerry" Warner, for the past two years the unanimous selection for All-Missouri Valley quarterback, was elected to captain the 1912 Cornhusker football team without a dissenting vote.

Every one of the sixteen honor letter men was strongly in favor of the nifty little field general, and this sentiment is as unanimous throughout the student body.

"Jerry" has played stellar football for two full seasons and his selection as leader for next fall is thought to prestige ever greater advances in Cornhusker football triumphs.

#### Board Pleased.

At the athletic board meeting the selection of Warner as captain was confirmed. One member of the board

remarked that there could have been no better choice made in the matter and Warner would lead a team on the field as good or better than the victorious eleven of this year.

Gold footballs were voted to the sixteen men who made the "N," and as a reward for good conduct the entire team was allowed to go to the Omaha alumni dinner last night, expenses paid. The coaches were sent to the same function under the same condition. In addition, Coaches Stiehm and Rathbone and Manager Eager were given the little golden charms.

The cross-country men who went to the meet in Iowa a few weeks ago were awarded "N's." The lucky men are Captain Anderson, Kennedy, Boggs, Slater, Swanson, and Cahill.

## MEDICAL SOCIETY TO BANQUET

### BIG CELEBRATION OF OPERATORS SCHEDULED FOR SATURDAY NIGHT.

The University Medical Society will hold its annual banquet at the Lincoln Saturday night at 7 o'clock. The banquet this year promises to eclipse all former ones. Many of the Omaha faculty and also the Lincoln faculty will respond to toasts.

All medical students are invited. Tickets may be secured from the committee or from President Adson of the society.

### OMAHA CLUB TO ORGANIZE

### STUDENTS FROM METROPOLIS TO PERFECT PLANS FOR CARRYING ON THE WORK.

Tomorrow another organization will be added to the long list of University clubs, but this new one is different from every other club or any other club formed.

The Omaha Club is to be formed tomorrow, but its work will be one of the big boosts for the University of Nebraska in Omaha and in the vicinity of the Gate City. The Omaha people attending at Nebraska will boost the school in their home town and during the vacation days coming will make an organized effort to get in touch with the members of the graduating class of the Omaha High School.

#### Regents at Farm.

Regents Copeland, Haller and Whitmore and State Superintendent Dalzell spoke at the Convocation held at the Farm, Tuesday. Nearly the entire school attended the meeting and received the regents with great enthusiasm.

## ARTILLERY ON UNI CAMPUS

### MILITARY BALL COMMITTEEMEN ADOPT SOME PROGRESSIVE ADVERTISING METHODS.

The campus has been bombarded.

The Military Ball committee got busy yesterday and, in the wee small hours of the morning, hauled a cannon on to the campus to use as a sign-board. This same cannon, which belongs to the United States government and is a part of the ordnance outfit of Company F, stood on the campus all day Tuesday.

A sign tied to the cannon explained that it was only placed there as an advertisement for the big three-dollar dance. At the Convocation hour the old relic was the center of interest. The Daily Nebraskan reporter, who attempted to run down some sort of a romantic life history of the cannon, was disappointed to find that Chairman Newman and Master-of-Ceremonies Van Dusen were delinquent in their research work in this particular branch of history.

The cannon, it is understood, will remain on the campus all day today and possibly Thursday. It is mounted on light field gearing for field service. One man yesterday threw away all his cents and remarked, "If Chairman Knew-Man, what would Van Dusen?"

### RUSSELL'S HOME DESTROYED.

Palatial Residence on South Street  
Gutted by Fire.

The home of the parents of Dick Russell, 'varsity' half back, at Forty-second and South streets, burned to the ground while the family was absent Sunday morning. The fire is thought to have originated in defective electric wiring. The loss is said to be fully covered by insurance.

## BIDS RECEIVED ON NEW FARM BUILDING

BOARD OF REGENTS FAIL TO  
AWARD CONTRACT.

### SWITCH TO THE FARM PROPOSED

Estimated That Railroad Spur Would  
Decrease Ultimate Cost of  
Building.

At a regular meeting of the Board of Regents, held Tuesday, bids were opened for the new plant industry building, but no contract was awarded. This was owing to the fact that individual bidders had been requested to submit estimates as to the reduction they would make in case a switch were built to the Farm, and that several had not yet handed in their amended estimates.

A plan has been on foot for some time to build a spur to the Farm. While the original cost might be considerable, it is believed that in time it would pay for itself in the decrease it would make in drayage to the Farm.

### EXTENSION IN OMAHA

BUREAU WILL SEND LECTURERS  
TO METROPOLITAN  
Y. M. C. A.

The department of University Extension will probably furnish several lectures for the educational department of the Omaha Y. M. C. A.

E. F. Denison, general secretary of the Omaha Y. M. C. A., and J. W. Miller, the educational director, were arranging for lectures yesterday with A. A. Reed, director of the department of extension. They made tentative arrangements for several lectures, and will make the final arrangements in a short time.

### SMITH AND CONDRA TALK

### GO TO OMAHA TO SPEAK BEFORE THE NATIONAL SHEEP CONVENTION.

Prof. R. H. Smith, an authority on the subject of animal husbandry, will talk to the National Sheep Growers' convention in Omaha next Friday on "Mutton Production in the Cornbelt."

Dr. G. E. Condra has been called before the same assembly to talk about the conservation of soil fertility.

### BARKER GIVEN LEAVE.

### Zoology Head to Make Up for Two Summers' Work.

Prof. F. D. Barker of the department of zoology was given a leave of absence for the second semester by the Board of Regents. This action was in accord with the board's rule granting leaves to those who serve two sessions of the summer school without remuneration.

### Pharmacy Photo.

All pharmacy students meet at Townsend's studio today at 2:30 for Cornhusker picture.
