TO REMODEL FIRST FLOOR OF TEMPLE BUILDING.

**INFORMATION DESK A FEATURE**

Man to Be Permanently Employed to Give Information to Strangers.

Several carpenters are busy remodeling the basement of the Temple in preparation for the installation of the kitchen of the promised cafeteria. The Y. M. C. A. cabinet meets Monday evening to lay official plans for the seating arrangements of the business end, and to replace the University Book Store at an early date.

At the same meeting the board will inaugurate the Information Bureau in the lobby. A man will be in attendance there every hour of the day, and up to 9 o'clock in the evening. As the gentleman will be required to know absolutely everything about the Temple building and the University in general, tell your troubles to him.
