## BEST TRAINS BOXERS SPARRED WITH WELCH

The Boxing Club has again come to life and will be under the tutoring of Jack Best and McKee. If you are ambitious to enter this organization you had better hand your name in to Dr. Clapp immediately, for the number of admissions is limited to thirty-five.

Jack Best started his boxing career back in old England and after much hard work became sparring partner of the famous "Mickey" Welch, who was runner up for the lightweight championship of the British Isles back in the fifties.

That was before the day of carefully padded gloves and the men would come out of the ring with faces battered beyond recognition. That was the time when sometimes a life depended on the ability to give punishment and to get away quick. The ring battles then were scientific and not exhibitions of brute force.

This was the school in which Jack Best learned and he will give the University boys the old time tactics which can never be entirely eliminated.

## COMPETITIVE SHOTS SOON

### NEBRASKA CADETS TO SHOOT AGAINST SCHOOLS ALL OVER THE WEST.

As has been the custom for the past several years, the National Rifle Association will hold a series of competitive shoots during January, February and March.

The Yates Rifle Club of the University of Nebraska, being a member of the national organization, will shoot in the western division according to the following schedule:

- Jan. 13—Michigan.
- Jan. 27—Arizona.
- Feb. 3—California.
- Feb. 10—Michigan.
- Feb. 17—Minnesota.
- Feb. 24—Purdue.
- March 2—St. Thomas.
- March 9—Kansas.

During the past week the cadets of the First regiment have been trying out for positions on the team which will compete in the first match. The competitors were allowed twenty shots apiece for a possible score of two hundred. The following eleven men were finally chosen as the team, ten of which will compete in the first competitive shoot:

F. G. Gunther	175
E. Wohlenberg	164
K. C. McClennon	162
M. A. Sharp	156
W. A. Letton	154
P. H. Roberts	154
C. F. Feenster	154
H. B. Pier	144
A. Z. Kjeldgaard	140
W. P. Drescher	139
G. A. Graham	138

These men are expected to report at the range in the M. E. building at 1:30 p. m. Saturday, Jan. 13th, for the preliminary practice. As yet, the scores have not been high, but after a few days' practice the team is expected to outclass anything in the west.

### Farm Drill Stopped.

Theoretical drill for second-year cadets at the State Farm has been discontinued.

A small fire occurred at the Alpha Phi house yesterday afternoon at about four o'clock. No damage was done to the house. The fire originated from a defective flue.

## STRANGE MASCOT ON CAMPUS

WISE OWL IS A NEW CANDIDATE FOR HOO'S HOO—AND WHY.

Are University students observant? We will venture the assertion that not over a dozen campus frequenters have noticed the self-appointed mascot of our school, who (hoo) greets us as we hurry by to 8 o'clock, and "hoo" keeps careful watch of the deserted campus during these long cold winter nights.

This faithful guardian may be seen at all hours of the day snugly settled on the branch of one of the evergreens located between the Library and the Rag office. We refer to the gray screech owl whose peculiar call has been noticed by evening attendants at the Library.

It is fitting and strictly proper that Nebraska should adopt as mascot a bird of such recognized wisdom, and we may add further that the owl has shown good judgment in taking up its abode so near to the Rag office. "Birds of a feather," etc.

We hope that nothing will be done to harm this intelligent bird which has chosen our campus as a peaceful dwelling place.

## ANOTHER UNI STUDENT DIES OF TYPHOID FEVER

(Continued from page 1.)

now on there should be a decrease in the number of cases. Water is the most frequent carrier of typhoid, milk, the next. There is no cause to believe that either milk or any other source is the cause of the epidemic in Lincoln.

"Boiling the water is the best prevention and is worth pounds of cure," concluded Professor Waite.

No student who is attacked by sickness will be forced to lose his standing in school, according to announcements made from the office of the University. Students in good standing at the time of being taken ill will be given every opportunity to take up their work and will be placed on the sick list, provided they report to the office.

Upon returning to school before the close of the term they will be given every help in being passed in their studies, and will be allowed to carry their studies as far as they think themselves able. Upon recommendation of the teacher, conditions or incompletes will be granted, students who were in good standing at the time of being taken ill.

Students who are well are urged to keep their parents informed of the fact by writing often, that parents may not become unduly alarmed because of the prevalence of typhoid in Lincoln.

### Student Very Low.

Everett Milton Jenks of Scranton, Iowa, a junior law in the University, is reported as being seriously ill with brain fever. He is staying at 901 North Twenty-third street.

## FRESHMAN CAPS ARE HERE

GET THEM AT MAYER BROTHERS' FOR DEPOSIT SLIP AND SEVENTY-FIVE CENTS.

The freshman caps have arrived from the manufacturer and may be secured at the hat department of Mayer Bros. store by freshmen who ordered them.

The committee is so well pleased with the new headgear that it expects it will be necessary to place a second order with the "Heldcap" people, so that all freshmen who wish to don the brown and gold sky-pieces may be supplied.

In order to systematize and facilitate the delivery of the caps the committee and Mayer Brothers have arranged that each student shall pay seventy-five cents and surrender their deposit receipt at the time they get their caps. This will amount to a payment of one dollar for each cap.

Freshmen who have lost the receipt which was given by the committee for the twenty-five cent deposit, made when each order was placed, should secure a duplicate from a member of the committee at the "Rag" office before going to Mayer Brothers. The shipment of caps now on hand is only sufficient to supply those freshmen who have already ordered and made a deposit, therefore no caps will be issued from this shipment to students without receipts.

Freshmen who want caps and have not yet ordered them may do so at once by seeing President Bob McFarlane or a member of the committee. A second lot of caps will be ordered from the manufacturer as soon as enough deposits are made.

## FLODEEN & BRETHOUWER

129 South Eleventh St., Lincoln, Neb.

Every man who cares anything at all about his personal appearance knows that only a first-class merchant tailor can furnish the sort of clothes that will give him that look of distinction that a well-groomed and well-dressed man shows. At 129 So. 11th Street the firm of Flodeen & Brethouwer maintains a large show window that is always filled with a line of goods that are equal to the display of any tailoring establishment to be found in the west. The prices quoted on these goods attract attention, and the workmanship and fit is all that could be desired. Here you can buy tailor-made goods at hand-made prices.
