CARL NAGLE BEGINS SOPH POLITICAL FIGHT

SECOND YEAR MIXUP OPENED BY PROMINENT ATHLETE.

FIRST CANDIDATE FOR POSITION

Former Contests Promise Warm Election for New President.

The political pot was set to boiling in the sophomore class by the announcement of the first candidate for president, Carl Nagle.

Nagle is a member of the Delta Tau fraternity and has been prominent in athletics as a member of last year's freshman football team and this year's basketball squad. He is also a member of the Iron Sphinx.

Every previous election of the present sophomore class has been exciting and hotly contested, and this one promises to be no exception. Yesterday mysterious rumors of secret meetings and political collusions were noised about the campus. For a while it was heard that a suffragette would appear upon the field, but this rumor has since been discredited.

A clash between two prominent organizations of the class seems imminent. Opposing politicians are marshalling all their forces for the coming battle, and the signs of the times point to stirring events in the future. No definite information could be obtained, but if these expectations come true, there will be a political fight without a precedent in the history of the school.

SENIOR PROM TONIGHT

BIG DANCE OF UPPERCLASSMEN WILL BE HELD AT THE LINCOLN.

The Senior Prom, which is to be held at the Lincoln Hotel this evening, promises to be the most auspicious affair of the school year.

The eighty-five couples who have been so fortunate as to secure tickets for this event will be treated to several novelties. The programs are the most artistic creations which have appeared in years and are of the variety worth saving; the decorations will be out of the ordinary, and last, but not least, "Eddie" Walt will furnish the music.

At an early hour this morning only one ticket remained, so the success of the dance is assured.

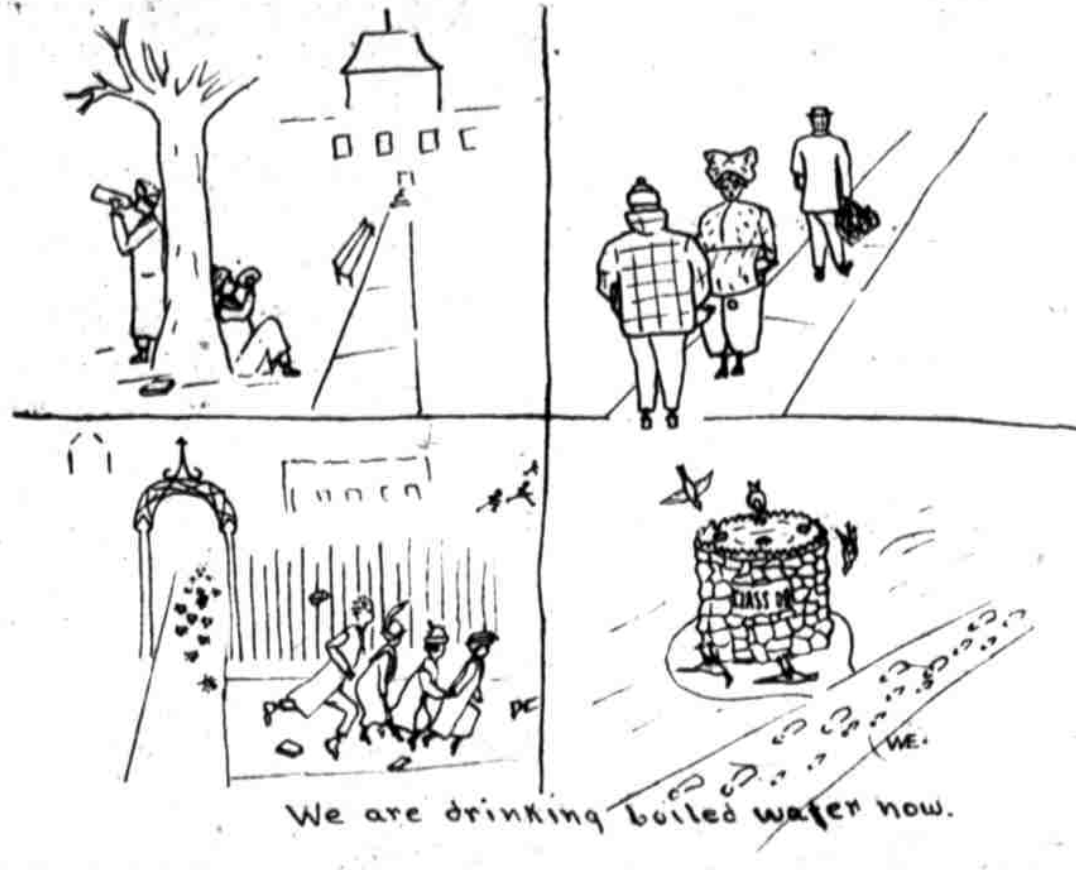

The committee wishes to impress those who attend with the fact that the grand march will begin at eight o'clock sharp, regardless of the number present.

Dr. Burnet Speaks Tuesday.

Dr. Anne Burnet will speak on "The New Profession," Tuesday evening in the Y. W. C. A. rooms at 5:00 o'clock. Dr. Burnet has spent some time at Hull House and also at the Chicago School of Civics and Philanthropy.

Miss Eason Injured.

Miss Helen Eason, 1915, who was injured by falling down stairs several days ago, has been taken to her home in North Bend.

CHANCELLOR ANNOUNCES

REGISTRATION BETWEEN CLASS HOURS MAKES FOR EFFICIENCY.

January 18, 1912.

To the Students:

The action of the Senate in requiring registration during vacant hours between class periods is a part of a general movement to increase efficiency by avoiding waste of time. It is not to be expected that the system will work absolutely smoothly in all cases. If you find no difficulty, please tell it to the reporters; they are tired of complaints and will enjoy cheerful news. If you meet unexpected difficulties, report to my secretary; perhaps we can overcome them so that you can still tell conscientiously how well the system works.

Late Registration Expected.

No student who has made a reasonable effort to register during the time allotted and is unable to do so through no fault of his own, will be charged a fee for late registration. Excuses from laboratory exercises will be freely given if students find it difficult to register at other times.

S. SAVERY,
Chancellor.

NOTED BOTANIST COMING.

Copenhagen Professor May Visit the Botany Department.

The Botany department is expecting a visit from one of Europe's prominent botanists, Prof. Dr. W. L. Johannsen, professor of plant physiology in Copenhagen, Denmark.

The professor was in Des Moines yesterday and it is expected that he will come directly here. If he does pay this school a visit, Dr. Bessey has assured us that he will try and arrange it so that we may have a chance to hear this famous scientist.

Dramatic Club Meets.

The Dramatic Club held its regular meeting last night in the Dramatic Club rooms in the Temple. Two short plays were given as a program.

George Proud, a graduate of the law college, but now registered in the academic department, has withdrawn from school on account of illness.

PEN PUSHERS FOR NEBRASKAN

EDITORS AND MANAGERS FOR NEXT SEMESTER TO BE CHOSEN.

A new staff for the Daily Nebraskan will be chosen today by the student publication board. Up to last night only a few applications had been received, but they indicate that there will be competition for all of the offices. Four editorial men are to be elected and three business department officials. The student publication board consists of five faculty members and three students. All applications for positions are due in today.

TEXAN VISITS OUR CAMPUS.

Lecturer for Texas College Visits Extension Department.

H. H. Williamson, representing the Agricultural and Mechanics College of Texas, visited the office of the Extension Department yesterday.

He has been in Lincoln attending the short course in agriculture at the Farm this week, and before returning to College Station, where the college is located, was shown some of the workings of the Nebraska Extension Department by Professor Reed. Mr. Williamson is a lecturer for the Lone Star state institution, and showed much interest in the methods of the Nebraska department.

Cornhusker Pictures.

The following clubs and organizations are to meet at Townsend's to have their pictures taken for the Cornhusker at these times:

The Black Masque, Saturday at 10:30.

The Y. W. C. A. cabinet girls, Saturday at 10:00.

The Catholic Students' Club, Saturday at 3:00.

Sigma Nu Pledge.

Sigma Nu announces the pledging of Charles L. Yochum, 1913, of Auburn, Nebr.

WEATHER FORECAST.

For Lincoln: Fair and slightly warmer. Lowest temperature was 5 above zero.

COUNT LUETZOW VISITS NEBRASKA IN MARCH

BOHEMIAN NOBLEMAN MAKING TOUR OF UNIVERSITIES.

WILL SPEAK AT CONVOCATION

Komensky Club Will Entertain Fellow Countryman at Elaborate Banquet.

Count Luetzow, a noted Bohemian nobleman, will visit Nebraska University, March 1st and 2d.

The count will give an address before convocation and will be entertained by the Komensky Club at a large banquet, to which many prominent Bohemians of the state will be invited.

The count is making a tour of the eleven leading universities of this country. Nebraska will be his farthest stop west. His visit will include Cornell, Princeton, Yale, Harvard, Columbia, Chicago, Wisconsin, Michigan, Minnesota, Iowa, and Nebraska.

His lecture here will be given in English, on the subject "Bohemian History and the Present State of Its Cultural Development." At the banquet he will address his audience in both English and Bohemian.

Count Luetzow became interested in the Bohemian department of this University through a poem written by the late Professor Hrbek. He has sent about twenty Bohemian books to the Library, some of which are of his own authorship.

Not only the Bohemians in the University, but all those over the state are making elaborate plans for his entertainment.

ENGINEERS' BIG MEETING

STUDENT SPEAKERS GIVE ENTERTAINING TALKS ON PROBLEMS.

The Engineering Society, which held its regular meeting Wednesday night, was attended by one of the largest audiences of the year.

Two instructive and entertaining talks were delivered by student speakers. F. C. Holtz, senior E. E., spoke at length on the practical points of the Blue river hydro-electric power plant, and B. N. Wilson, senior C. E., discussed the toll bridge now being built across the Platte river near Ashland.

ART EXHIBIT FOR STUDENTS

LOW RATE OFFERED FOR REMAINING TWO WEEKS OF GALLERY.

For the remaining two weeks of the Art Exhibit instructors and assistants of the University will be admitted on season tickets, costing fifty cents. Students have previously been admitted at this low rate, but this is the first time that such an offer has been made to instructors and assistants.

The attendance so far has been very gratifying, and it is hoped that with the reduction in prices those who have not yet seen the exhibit will avail themselves of the opportunity offered.
