## REGISTRATION BEGINS IN EARNEST WEDNESDAY

TICKETS BEING DISTRIBUTED ALL  
THIS WEEK AT REGISTRAR'S  
OFFICE.

## HOPE TO AVOID USUAL CONGESTION

Schedules Published in Pamphlet  
Form and Contain Full  
Information.

Assignment and registration tickets were being given out yesterday in the office of the Registrar. A good many students who did not have classes obtained their tickets on this, the first day, and thus insured an early registration.

The cards are numbered and are good only for the hours marked on them. They also bear the notice that all applications must be approved at least the day before registering.

Registrar Rutledge said, "There is no hurry about getting the tickets, since they are to be given out all week. However, the less general delay there is about attending to these things the faster the registration as a whole will go off."

He advised all students to have their schedules made out this week, and to see the advisers about their subjects.

The second semester schedule is out and will be distributed today. It is in booklet form, with all classes grouped under the department head as usual. The first day of registration will be Wednesday morning at 9:00 o'clock. Rules for registering, times for each class, and all information can be obtained from the booklet.

Students are allowed two consecutive hours for registering in all classes.

## CORNHUSKER STAFF FORMAL

DRESS SUITS LEND DIGNITY TO  
A VERY EXCLUSIVE  
AFFAIR.

The Cornhusker Staff established a precedent Saturday night by giving a formal party.

The affair, which was very exclusive, in that it concerned only twelve couples, was held at the Alpha Tau Omega house; it began with a complicated grand march and ended with a lunch of sandwiches and coffee.

Naturally, the atmosphere was decidedly literary, and sparkled with wit and humor, some of which will be reproduced in the Cornhusker. The affair itself was, however, formal only in appearance, for there were no programs, and none of that restraint so prevalent at formal affairs.

After the smoke of the "flashlight" had cleared away, willing freshmen set forth the bounteous feast, which was ornamented by impromptu, but flowery toasts.

Those present were: Messrs. Dana Van Dusen, Burton Hill, Sam Buck, Harry Coffee, Ralph Sweeley, Searle Holmes, Allen Newman, Guy Reed, Zackery Taylor, Mark Hargreaves and Frank Bocken; Misses Ruth Evans, Grace Carter, Lois Logan, Augusta Houston, Frances Nolan, McComan, Ruth Tibbetts, Ruth Grievish and Katherine Yates.

The Summer Session of the Law Department at Michigan generally enrolls about two hundred students.

The officers for the new semester were elected as follows:

President—Alurine Zumwinkel.  
Vice-president—Herman Wiebe.  
Secretary-treasurer—Ella Morrison.

## CO-EDS ANXIOUS TO KNOW

INTERSORITY MEET PLANS HOLD  
JOKER FOR SOME-  
ONE.

Nebraska co-eds are wondering just who is the goat.

The committee for the Charter Day track meet announced a few days ago that there would be an inter-sorority relay race this year at the meet. All sororities were urged to begin practicing at once for the great event.

The sororities took this seriously enough as a duty to their school, and several applications for the use of the Gymnasium were filed with the committee.

The committee was then forced to explain. So yesterday morning postal cards were sent to the various organizations, urging them to select a team of men to represent them in the relay race, or to have one selected for them.

Now, will someone please enlighten the fair co-eds? Is the joke on them or on the committee?

## BAND AT CONVOCATION

NEBRASKA'S "RAG TIME BAND"  
TO GIVE CON-  
CERT.

The University band will be the attraction at Convocation this morning. The program is as follows:

March Niebelunger ..... Wagner  
Intermezzo ..... La Cinquantaine  
The Red Men ..... Sousa  
Loose Lucas—Successor to "Alexander's Band."

The appearance of the band at this time will furnish a rousing preliminary to the big band concert at the Oliver Friday night. A large section has already been reserved by the Aggies for this event.

## Guaranteed Water.

Nebraska students no longer need to be afraid to drink the germless liquid that is furnished gratis by the University authorities. All doubts as to its safety were removed when the following notice was posted by Dr. Waite:

The Chancellor has informed me that arrangements have been made to supply University boys with pure water at the Chemical Laboratory. University women may obtain the same at the Ladies' Rest Room in the Armory. Water obtained from either of these places is guaranteed to be ABSOLUTELY SAFE.—Dr. Waite.

## KOSMET TO PRESENT ORIGINAL COMIC OPERA

STUDENT COHANS TO VENTURE  
INTO NEW FIELDS.

## NEWEST SOCIETY ORGANIZATION

Enterprising Club Will Present Play  
at the Oliver Theatre,  
May 3d.

"The Diplomat" an original comic opera, written by Professor Scott of the English department in collaboration with a trio of undergraduates, will be presented in the Oliver Theatre, May 3d next by the Kosmet Klub of the University.

This decision was reached at a meeting of the Kosmets last week, at which time the play was heard and accepted.

The Kosmet Klub is the youngest of Nebraska organizations, having been formed temporarily late last spring, and this is the first attempt of the kind that Nebraska students have undertaken.

## Competition Is Open.

The Klub membership is limited to male undergraduate students, but the play as accepted contains six female parts in addition to the chorus, which are open to general University competition. The tryouts will be held at three o'clock on the afternoon of Saturday, February 3, in the Music Hall of the Temple, and dressing rooms will be provided for those who wish to appear in costume.

The problem of securing men capable of taking women's parts successfully was regarded as a very grave one by the Klub, but this plan has finally been set upon, and it is hoped by the promoters that a large number will present themselves at that time arrayed in whatever feminine finery is available to each.

## Honorary Organization.

At the last meeting of the Klub a new plan for election to membership was adopted, looking toward making choice to this society one of the highest student honors in college. The so-called "frat" and "barb" lines are entirely abolished, the Klub will be limited probably to fifteen or twenty active members, and election will be open only to second and third year men who have taken either a part in one of the productions or an especial interest in the work of the Klub, without regard to affiliations of any nature.

All parts in all the productions are to be thrown open to general competition, and the presentations will be so arranged as not to interfere with the class plays or the Dramatic Club productions.

The present membership of the Klub comprises the following men: Meade, Whitcomb, Hornberger, Hill, Holmes, Steinhart, Boyles, Pomerene, Guthrie, Scott, Graves, Gist, Randall, and Buck.

## Catholic Students Dance.

A crowd of more than seventy couples enjoyed the annual dance of the Catholic Students Club Saturday night in Fraternity Hall. Jos. V. Johnson was master of ceremonies, while L. J. Breen managed the hop.
