

UNIVERSITY MILITARY BAND GIVES CONCERT

ENTERTAINS LARGE AUDIENCE AT CONVOCAATION.

WILL PLAY FRIDAY NIGHT, JAN. 6

Band Has Risen to National Position Under Leadership of Director Cornell.

The band again proved themselves the original noise blenders at convocation yesterday morning. The program was somewhat more classical than that which thrilled the excited faces upon the bleachers last fall, but it was played with the same zest and spirit.

Their program was:
 March Niebelung.....Wagner
 Intermezzo.....La Cinquantaine
 The Red Men.....Sousa
 Loose Lucas—Successor to "Alexander's Band."

C. B. Cornell, '05, is the director of the band this year. He has had considerable experience in directorship, having been chief musician of the band two years ago while an undergraduate, the leader of the Peru band for three years, and the director of a cadet band at the Jamestown Exposition. When Cornell was a senior, he organized a band of local musicians who won the first prize of \$300 at the National Encampment of Modern Woodmen which was held at Milwaukee. Under the direction of Mr. Cornell, the University band has at-

DOPE OR GLASSES—WHICH? Why try to cure that which pills or powders cannot influence? Do you know that headaches are brought about more by the EYES than by any other agency? If you suffer ever-so-often with headaches it is doubtless a case of EYESTRAIN and not disordered stomach.

tained a national reputation as one of the best college bands in the country and one of which any school might well be proud.

The band is one of the biggest boosters on the entire campus and has brought honor and glory to the Scarlet and Cream wherever it has gone. It deserves the very heartiest support of every loyal Cornhusker, and opportunity is offered in the annual concert to be given at the Oliver Friday evening.

The annual concert last year was more or less of a financial failure, but it was only because the students failed to appreciate a "good thing." Those who attended were treated to a real delight of music, aside from the pleasure of boosting a bunch which has made more noise for Nebraska than any other which can be found.

There is no reason whatever why the concert Friday evening should not be a big success. The music itself will be a mixture of classical and rag-time which will in turn thrill and riot through the soul of everyone present. College spirit and enthusiasm will reign supreme and campus songs and yells will give the time of his life to the fly cop in "Uni box." Even the verse, though not the chorus, of "The Hamburger Show" would not sound

inappropriate, and all can yell, with truth, "Who did it?—THE BAND." Yes, we might as well "sing, yell, and be merry, for next week will be exams."
