

FRESH FIVE ISSUES CHALLENGE

BASKETBALL QUINTETTE WILL TAKE ON ANY UNIVERSITY TEAM FOR GAME.

The freshman basketball team has issued a challenge to any team within the University. The five under Coach Reynolds have been crippled lately, but they are willing to take teams from any class, college or other organization in the University, and feel confident that it will be an easy matter for them to make good with a life-size score.

There will be a game with the Aggies in the near future, but the exact date is not yet scheduled.

"AGRICULTURE" IMPROVES.

Official Farm Paper is Fast Forging to the Front.

The current number of "Agriculture," the monthly Farm publication, shows a decided improvement over past issues.

The paper was started nine years ago and was under the direct supervision of Principal Davisson until a short time before his death. Now the Ag Club manages the work. Otto Liebers is editor.

Articles appear regularly by faculty members and students. Class notes and general news items complete this well-supported and growing "rag."

PROFESSOR SMITH BUYS STOCK.

Departing Professor Purchases Cattle From University Farm.

Prof. H. R. Smith, who leaves Nebraska soon to enter the Gopher faculty, has purchased five dairy cows from the State Farm. These animals will be taken to the department at Minnesota to which Professor Smith is assigned.

H. L. Johnson has charge of transporting the cattle to Gopherland.

NO REGISTRATION AT FARM.

Classes Made Up at First Registration Hold Over.

State Farm students escape the horrors of registration. The Regents' ruling allows but one registration and that at the first of the year and effective for the entire session.

The first semester will close on Friday, February 3, and the second begins the following Monday.

No Election at Farm.

Agricultural students are not caught in the political squabble usually occurring at this time of the year. Owing to the shortness of the school year at the Farm, no elections are held for the second semester.
