

CATALOG READY FOR PRESS

SUMMER COURSE WILL BE MORE COMPLETE THAN FORMERLY.

The material for the catalog of the summer session of the University is about ready to go to press. The courses offered this coming summer will be more complete than they have ever been before. They will give an opportunity to work ahead to the industrious ones who can better afford to spend the summer in that way.

The courses have been so arranged that a person can easily carry nine hours of work. This will be the maximum number given in the summer course, however.

For graduates from three-year accredited schools especially this will give an excellent opportunity to make up part of their entrance conditions. For all high school students the rules as to entrance apply as in the regular term.

Students who have matriculated in the University will register as they would for the regular term.

Medic Picture.

All members of the Medical Society are to meet in front of Nebraska Hall next Tuesday, January 30, at 1 o'clock sharp for the Cornhusker picture. Arrangements have been made so that each medic may be absent from laboratory during the stunt.

A. W. ADSON, President.

See Les Hyde when in need of programs, menus and other printing.

Notice.

All students of the graduate college should have their picture for the Cornhusker taken on or before February 1, at Townsend's.

For further information call at Townsend's.

Prize for Women.

Miss Ensign has received a pamphlet announcing another prize that is open to Nebraska women.

The Naples Table Association for Promoting Laboratory Research by Women offers one thousand dollars for the best thesis written by a woman on a scientific subject. New observations and conclusions, based on independent laboratory research in a biological, chemical or physical science, must be given.

The theses submitted must bear a pseudonym and be in the hands of the committee before February 25, 1913. Anyone wishing further information should see Miss Ensign.
