

MICHIGAN ALUMNI WANT GAME WITH NEBRASKA

That Nebraska is not looked down upon either by the undergraduates or the alumni of the University of Michigan is shown by the interest being taken in the possibility of a Nebraska game for next year.

At a meeting of the Michigan Alumni Association of the Missouri Valley, a set of resolutions was adopted and sent to Manager Bartelme, and also to the Michigan Daily, for the purpose of sounding the student sentiment in the matter of a Nebraska game for 1912.

The following is a clipping taken from the Michigan Daily:

"The enthusiastic interest which prompted the Alumni Association of the Missouri Valley to formally petition Director Bartelme for a 1912 Nebraska game is worthy of consideration. It demonstrates again the fact that Michigan spirit only begins in Ann Arbor.

If a satisfactory date preceding the Cornell and Pennsylvania games can be agreed upon, Nebraska will no doubt be included in our schedule. It would be a splendid contest. But as a post-season exhibition with a team reduced to battle-scarred cripples who have survived four successive ensuing intersectional contests, a game with Nebraska can only be the anti-climax of an otherwise well-balanced schedule. And such a sacrifice we do not believe the alumni intend to demand."

Rifle Team Shoots.

The Yates Rifle team held another one of its competitive shoots, Thursday. This time its opponent was Arizona. The Nebraska team made a total score of 823. The individual scores of the five men who made the team were:

	Prone	Standing	Total
A. Kjeldgaard	94	74	168
G. A. Graham	88	79	167
B. H. Pier	84	80	164
F. J. Gunther	91	72	163
M. A. Sharp	88	73	161

The next shoot will be held on Saturday afternoon.

The Hyde Printery, 1331 P St., up-to-date printing of all kinds.

New Projecting Lantern.

The Botany department has just received a new lantern of which they are justly proud. It is a very expensive machine, having cost over two hundred dollars, but will do much better work and may be used in more ways than the ordinary lantern. The most convenient thing about this machine is the fact it will reproduce pictures out of books, papers, etc., without requiring slides to be made, or even the sheet to be torn out.

Iowa Breaks Record.

The University of Iowa rifle team made a record of 961 points out of a possible 1,000 in a competitive "by mail" shoot with Nebraska's team, Wednesday. This is the highest score ever made by a western school in a competitive meet, and our crack shots must show a clear eye and steady hand to equal the Hawkeye feat.

World's Record Broken.

Ralph Rose, the well known California athlete, made a new world's record when he threw the rubber shot 48 feet 9 1/2 inches in an indoor meet given at San Francisco under the auspices of the Olympic Club.

DELTA Upsilon WINS OVER KAPPA SIGMA

The Delta Upsilon five started on their journey to the inter-fraternity basketball championship by defeating the Kappa Sigma five by the score of 18 to 6. The game was not featured by any star playing of individuals, but the team work on both sides was good. The score was kept low because of the poor basket shooting on both sides. The Delta Upsilon had the advantage in weight.

The Delta Upsilon team won the inter-fraternity championship last year and say that they will repeat this year. The Gym will be kept busy all through the day tomorrow with the interfrat games.

European Tour Planned.

Dr. J. T. Lees, professor of the classic languages in the University, is organizing a party for a tour of Europe during the coming summer. The itinerary includes a six-day voyage outward via the St. Lawrence river and the Thousand Islands and Quebec, with Liverpool as its destination. Thence several days in rural England, a week in London, and following are visits to the principle cities in all Europe of interest to Americans such as Venice, Naples, Paris, Brussels, Berlin, Antwerp, Florence, and Rome.

The return trip is scheduled to start from Naples and is routed via Gibraltar and New York. The party will leave Lincoln about June 18, returning September 9.

More Typhoid.

Harry Cummins, an Agricultural student, was compelled to return to his home in Seward yesterday on account of typhoid fever. This is the only case reported among the students in the last three days.

Farm Cadets Restless.

The warm weather has made the Farm cadets taking theoretical drill restless.

Target practice with some unusual projectiles occasionally occurs.

Yale Meets Professionals.

The Yale baseball nine has made arrangements to play the New York Nationals on April 10th, the day before the opening of the National League.

Missouri Entertains.

Three thousand dollars in cash and in farm implements besides five silver loving cups, were awarded as prizes in the Missouri Corn Show.

Frat Men Numerous.

Recent statistics taken at Brown University, reveal the fact that three-fourths of the under-graduates there are Greek letter men.

Hurrah for Indiana!

One of the classes in Rhetoric at Indiana uses only the Independent or Outlook magazine as a text book.

Ugly Man Contest.

The ugliest man in Coe College will be awarded a watch. He will be selected by ballot.

The undergraduates at Yale will be required, after next year, to room on the campus. This ruling is for the especial benefit of wealthy young men who hire private suites of rooms and live in a style which would rival a European prince.
