TUESDAY, FEBRUARY 13, 1912

Yesterday was the anniversary of the birth of Abraham Lincoln. The University celebrated in its usual manner.

The University of Kansas is to be congratulated on the improvements recently made in the college official organ, "The Daily Kansan." A small four-column, as poor as any published anywhere, has been changed into an up-to-the-minute five-column daily. The subscribers made it possible.

The Daily Nebraskan is the only official organ of the University. It is published, under the direction of the publication board, by students and for students. It endeavors to print the news when it is "hot off the bat" and, whenever possible, get a "scoop" on the daily papers of Lincoln. It asks the support of every loyal Nebraskan.

Subscribe for it. When you get "hep" on a piece of news which the "Rag" ought to have, don't be backward about helping out by reporting it to your own paper. The Daily Nebraskan will be the best college daily in the United States if the students give it the support which it is asking. Help boost tomorrow—Tag Day.

VANDALS.

Recently the large pipe organ in Memorial hall was injured in some mysterious manner. It has been said that the offenders were men who were playing basketball in that room and that, when a ball went wild and into the organ, some player walked into the instrument to recover it.

When one of our professors heard about the affair he said that a crowd of Russian children would have had more sense than to crawl over the delicate mechanism of a pipe organ. "Last summer," he said, "some Russian children from the north end of town were playing ball near some beautiful flower beds. When the ball became lost in one of the beds, they waited until their teacher came out and found it for them. They did not want to destroy any flowers."

Had these said basketball tossers used any judgment at all, the University would not now be at a great expense getting the organ repaired. The great organ is one of the real trophies of the Universities, having been in the Music hall at the Trans-Mississippi exposition at Omaha. It is indeed strange that any level-minded University man should chose to ramble recklessly through its interior.

PREPARE FOR COMMENCEMENT

Executive Office Busy Making Out Reports for Seniors.

The executive office has been busy during the past few days making out senior reports. At a meeting of the faculty today, all seniors will be recommended for graduation both for the mid-year and the June commencement. No senior who is incomplete, conditioned or more than eighteen

hours from graduation will be so recommended. Such a student will be unable to graduate until summer school, even if he makes up his work.

There has been some trouble so far in obtaining a commencement orator. Invitations have been extended to twelve different men, but all have pleaded previous engagements.

Chancellor Avery attributes this to the great number of colleges graduating their seniors during the first three weeks of June. "We have sent out invitations to several different orators," he said, "and I am sure we will have no further difficulty in obtaining one of them."

PI PHIS GIVE FORMAL.

Chapter Celebrates Anniversary With Series of Entertainments.

Pi Beta Phi ended a series of entertainments, celebrating the sixteenth anniversary year of the chapter's career, with a formal party, Saturday night at the Lincoln Hotel. Over a hundred couples, including guests from the Iowa, Kansas and Missouri chapters, attended. The list of chaperones included Chancellor and Mrs. Avery, Mr. and Mrs. Herbert E. Gooch, and Miss Ensign.

Saturday morning a breakfast was given to the active chapter and its guests by Mary Spaulding. Fifty-six girls were served a buffet breakfast.

Miss Anne Stuart, president of the middle western province of the sorority, entertained at luncheon, Saturday noon. Covers were laid for eighty-one.

The visiting girls left Sunday for their respective schools.

CHORUS PLANS GRAND OPERA.

Organization Now Busy at Work on "Christian Martyrs."

The chorus is busy preparing the "Christian Martyrs," which will be given in the near future. This will be accompanied by an orchestra and a lot of hard work has been done in order to make this production a success. Accomplished soloists have been obtained, which will make this production one of the best that has ever been given here.

Later a grand opera will be given, but the actual work on this production has not yet begun. Vesper services will also start as soon as the organ in the chapel can be repaired.

Registration is still open to those who desire to take chorus work.
