

**HARD TRACK SCHEDULE
-CONFRONTING CORNHUSKERS**

With the waning of the basketball season, track athletics for spring is beginning to occupy the attention of the athletic department of the University. Nebraska has before it one of the hardest schedules in track that it has ever had. Five meets in all are booked, each following the other at brief intervals. April 27 the Cornhuskers go against Ames in dual meet on the local field; May 3 they meet Kansas at Lawrence; May 11, Minnesota at Lincoln; May 25 they enter the annual Missouri Valley meet to be held at Des Moines, and on June 1 the season is closed with the Big Eight meet to be held at Lafayette, Ind.

Kansas University Daily Urges Dropping of Ahrens Matter.

The Daily Kansan, the university publication of Kansas University, has a lengthy editorial regarding the Ahrens matter, the playing of the Kansas football star the entire season when he was ineligible. The council of the University Board of Regents of Kansas has even threatened the life of football at Kansas unless some public censure is made of the men who connived with Ahrens, or knew of his non-attendance at classes.

The Kansan has urged, since the other schools have accepted the apologies of that school in the matter and it seems to be almost impossible to fix the blame, that the matter be dropped.
