UNIVERSITY OF NEBRASKA, LINCOLN, FRIDAY MARCH 8, 1912.

Price 5 Cents

PHI BETA KAPPA DAY LIKELY NEXT THURSDAY

DATE CHANGED BECAUSE VACATION BEGINS ON MONDAY.

HONORS WILL BE AWARDED THEN

Interclass Debating Teams Which Win Respective Contests Will Probably Meet on That Date.

Next Thursday will probably be Phi Beta Kappa day at the University. Professor Stout, secretary of the society, said that owing to the fact that vacation starts on Monday instead of Wednesday, as it has heretofore, the event will have to occur then instead of on Tuesday, as it always has before. The custom has been to give the Phi Beta Kappa chapel at the convocation before vacation, which will be Thursday this year.

On this day the members of the senior class of the college of arts and sciences, who are judged worthy of the honor by the committee in charge, will be notified in chapel that they have been chosen to wear the Phi Beta Kappa key, representing the highest type of scholarship. These names are not known, generally, until the night before, when the list of eligible names is presented before the society, after first having been approved by the faculty council. At that time the society decides what the standard of admission shall be and what percentage of the class will be elected.

The two class debating teams which win in their respective debates will probably meet on that day to decide the interclass debating championship.

The plans for the day are not yet completed and are subject to change, for it is not yet known whether all that remains to be done can be finished in that time.

DRAMATIC TRYOUTS APRIL 2.

Candidates Will Be Allowed to Make Their Own Selections.

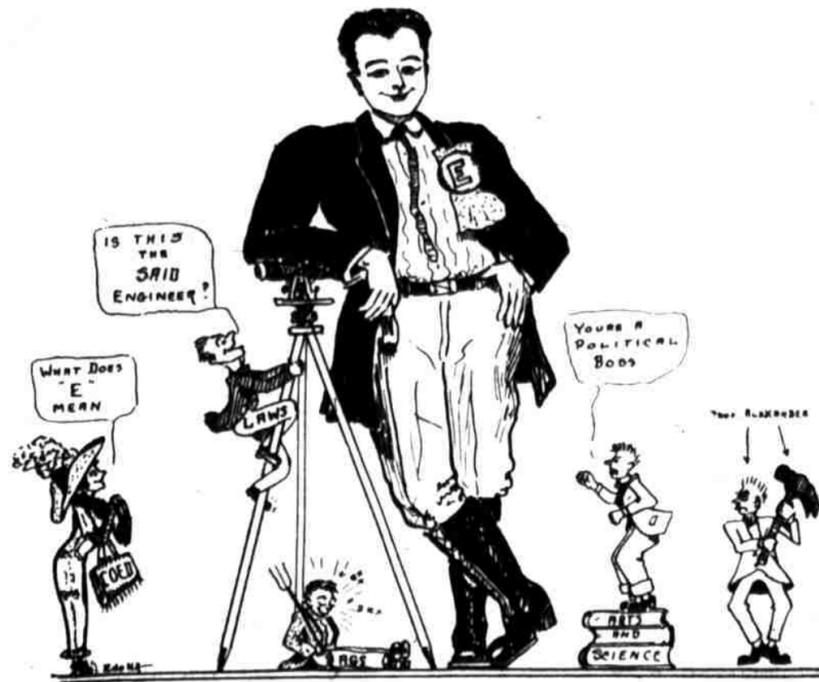

The second semester tryouts for the Dramatic club will be held Tuesday evening, April 2. This date was decided upon by the committee in charge at a meeting held yesterday. The tryouts will be held in the Temple theatre and will be open to all students in the University.

As heretofore, candidates will be allowed to make their own selections. Those intending to try out are advised to take selections from some dramatic work and to try out with some other person. Recitations, however, will be permitted. A list of suggested plays and readings is on file in Miss Howell's office and may be had upon application to her in room U. 106.

Work at Farm Delayed.

Owing to the snow, work has not been commenced on the new Plant Industry building or the switch which is to be laid from the University Place branch of the Rock Island.

The switch will be used to haul material for the new building and coal to the power house.

MANY AT ENGINEERS' RALLY

SPEAKERS TREAT OF THREE ERAS IN LIFE OF MEMBER OF ENGINEERING PROFESSION.

The Engineers' Rally last night was well attended and an interesting and instructive program was rendered. The meeting was an open one, in the charge of the Engineering society. A number of new men were voted into the society as full members on payment of the initiation fee. The program treated of the three eras in the life of a Nebraska engineer.

Prof. J. N. Bridgman, who opened the discussion, spoke on "The Engineer Before Entering College." He took up the causes which impel a boy to enter the engineering college, declaring that there were only two great engineering schools, the regular technical college and experience, the School of Hard Knocks, and urged college men not to speak lightly of men trained in the latter school. Professor Scipio traced the course of the young engineer through college, laying particular stress upon the value of engineering societies and other organizations, other than purely social, with which a man can identify himself. Professor Hollister, in a short, rather humorous talk, spoke of "The Engineer After Leaving College."

A. S. M. E. HOLDS MEETING.

Different Types of Feed-water Heating Are Discussed.

An enthusiastic meeting of the student branch of the American Society of Mechanical Engineers was held March 5. The subject under discussion was "The Open Versus the Closed Type of Feed-water Heaters." The argument for the former was presented by E. E. Dale and M. C. Evans, while R. J. Foster and E. B. Berger defended the latter.

The next meeting of the society will be held April 2, at which time the subject of "Generating Electricity by Means of Engines Operating on Crude Oil, and Producer Gas as Fuel" will be discussed.

ENGINEERS GAIN HONORS

MEMBERS OF DEPARTMENT DISPLAY ABILITY IN MANY LINES OF ACTIVITY.

The following is a list of University honors gained by engineers the past year:

Football "N" men: Gibson, Lofgren, Purdy, Swanson, Chauner, Pierson.

Basketball "N" men: Gibson, Carrier, Owens, Nagl.

Cross-country "N" men: Swanson, Slater.

Track "N" men: Melick, Timberson, Gibson, Graham.

Battalion Officers—Staff: W. J. Krug, major Second battalion; J. K. Selleck, major Third battalion; R. E. Davies, first lieutenant and adjutant First battalion; G. A. Graham, first lieutenant and adjutant Third battalion.

Captains: C. K. Paine, Co. I; F. A. Wirt, Co. F; G. B. Wilson, band.

First lieutenants: H. E. Cotton, Co. C; H. F. Cramer, Co. A; E. C. Merrilweather, Co. B.

Second lieutenants: C. A. Walker, Co. B; H. H. Harmon, Co. F.

First sergeants, to be captains: G. W. Gossard, Co. C; L. T. Gramlich, Co. I.

Innocents: H. B. Pearce, G. A. Lofgren.

Class president: Class 1912, second semester, G. A. Lofgren.

TELLS OF WOMAN WAGE EARNER

Miss Grace Trigg Addresses Tuesday Meeting at Y. W. C. A.

The Tuesday five o'clock Y. W. C. A. meeting was addressed by Miss Grace Trigg, general secretary of the City Y. W. C. A. "The Woman Wage Earner" was the subject of her discussion. Miss Trigg illustrated this subject by telling of her experiences while secretary in the mills of Trenton, N. J. The cost problem was mentioned as one of the greatest difficulties to overcome. Miss Trigg directed her talk especially to prospective association secretaries, with the hope of arousing in others an interest in association work, or social settlement work of some kind.

HIGH SCHOOL TEAMS PLAY SPEEDY BALL

TOURNAMENT OPENS WITH SEVERAL SENSATIONAL CLASHES.

SOUTH OMAHA SHOWS GOOD FORM

Elgin and University Place Display Marked Ability and Win Their Contests.

They are off! From as far west as Sidney and as far north as Ord, the best high school basketball teams of the state have gathered in Lincoln and yesterday afternoon the initial contests of the state championship series were played. As in all preliminary games, good teams were pitted against poor ones, poor teams against poor ones and good teams against good teams, making some of the games close and others very one-sided. Some of the afternoon games were close and in all respects games worth seeing, yet the evening games drew the big crowds and the seemingly more interested spectators. All University spirit was forgotten and frat brothers vied with each other in attempts to root for their respective high school teams.

Some Close Battles.

The first game of the afternoon was between Tecumseh and Ord. Ord put up a plucky fight, but was finally overcome by a score of 39 to 16. The South Omaha-Trenton was a runaway, South Omaha playing up to her usual form and winning easily, 40 to 16. The Central City-Nebraska City game was the sensational game of the afternoon, the former finally winning by a narrow margin. Both teams played fast, hard games and the game was anybody's up to the final whistle. Wahoo romped around the floor with Blair to the tune of 45 to 8, probably making the record score of the series. The closest and hardest fought game was between Sidney and Elgin, the latter winning 23 to 21. Both of these teams are above the average and Elgin will be heard of again in the contest. Beatrice showed up strong and took Norfolk into camp, 43 to 11. Geneva and Auburn had a scrappy bout in which Geneva bested, 20 to 15.

The evening games were rather one-sided, Omaha easily defeating the husky State Farm quintet 51 to 11. Gothenburg defeated Aurora in the closest game of the day, winning on the foul throwing ability of its forward, score 18 to 17. York defaulted to Humboldt. Schuyler trimmed Stromsburg, 23 to 6, University Place beat Stanton 24 to 6, while Lincoln came out ahead of Crete by a score of 27 to 6.

Games Today.

Tomorrow afternoon, beginning at 2:00 o'clock, the following games will be played: 1. Tecumseh-South Omaha. 2. Central City-Wahoo. 3. Elgin-Beatrice. 4. Geneva-Omaha. 5. Lincoln-Humboldt. 6. Schuyler-University Place. In the evening the winners of 1 and 2 will play, winners of 3 will play Gothenburg, who drew a tie, winners of 5 and 6 will play, while winners of 4 will lay off and not play until the semi-finals Saturday. Brannon, G. Beck, B. Beck and Hascall officiated in the games yesterday afternoon and last night.
