MEDICAL BLDG. PLANS HERE

THREE-STORY STRUCTURE OF DORIC DESIGN WILL BE ERECTED.

Plans for the new medical school building were received at the superintendent's office Wednesday morning from Shepley Rutan & Coolidge, the Boston architects.

The building will be erected in Omaha in one of the finest residence sections of the city, and will be surrounded by a tract of land donated to the University by several Omaha physicians. The plans call for a three-story and basement structure of doric architecture which will be built of brick with terra cotta trimmings.

The funds for the new medical building were appropriated by the last legislature. They amount to approximately \$90,000, and will be devoted entirely to the erection of the building as the land for it has already been provided for.

Superintendent Chowens is having several sets of plans executed and expects to advertise for bids within a few days.

An informal discussion of the recall of the judiciary and of ex-President Roosevelt's proposed recall of judicial decisions followed.

The members of the fraternity have under advisement a "Gridiron Club" banquet after the manner of the famous events of the Washington organization of newspaper men.

MEDICS WILL VISIT OMAHA

STUDENTS TO VISIT VARIOUS HOSPITALS OF CITY DURING TRIP TOMORROW.

Medical students will leave for Omaha tomorrow at 7:15, via the Burlington. They will be met by autos, at the depot in Omaha, grouped into divisions and taken to the following hospitals: Methodist, Clarkson, Swedish Mission, County and Wise Memorial.

At noon the crowd will dine at the Commercial Club. The afternoon will be spent in attending clinics at the various hospitals, as in the morning, but an exchange will be made, so that each division will be assigned to a different hospital, thus a great variety of cases may be seen.

Roll call will be taken at Omaha and a report will be sent back to the various instructors here, so that no absences will be charged against those making the trip. Those who leave before Friday morning should call Dr. Bridges to ascertain to what group they are to be assigned.

NEBRASKA NOT LIKELY TO MEET KANSAS TEAM

JAYHAWKERS DEMAND GUARANTEE OF THEIR EXPENSES.

CORNHUSKERS CAN CLAIM TITLE

Coach Stiehm Refuses to Keep His Players Here Through Spring Vacation.

It is hardly probable that the championship games between Kansas and Nebraska will now be played. Kansas replied to Coach Stiehm's letter Wednesday and refused to accept Omaha as the place to play unless Nebraska agreed to guarantee expenses.

In the last letter sent by Kansas the Jayhawkers offered to play any time, any place and with officials that could be agreed upon. Coach Stiehm in replying named Omaha as the place; Thursday, Friday and Saturday of this week as the time; and in a telephone conversation it was agreed that Hyland and Hoopes should officiate.

Demand Seems Unreasonable.

Nothing, however, was said about expenses, both Coach Stiehm and Manager Eager supposing that as long as the games were to be played on a neutral floor each team should take half of the proceeds. And now Kansas comes back with a demand that Nebraska guarantee expenses. Just why Nebraska should pay money out of its treasury, if the teams failed to draw well in Omaha, in order to defend the title against Kansas when it has already defeated the Jayhawkers four times, is hard for Coach Stiehm and Manager Eager to see.

It looks very much as if Kansas were trying to force Nebraska to refuse to play.

Can Claim Championship.

If the games are not played in Omaha this week they will not be played at all, for Stiehm will not keep the men here over Easter vacation in order to keep them in shape nor will he assemble the team after the vacation. To keep the team in condition would mean steady work and if it were to lay off until after the holidays it would take several weeks to get into form again. Nebraska can rightly claim the and the coach does not intend to be obstinate about it, but if Kansas refuses to come to terms on its own proposals then the games will not be played.
