COMPET DRILL WILL BE HELD ON DECORATION DAY

PLANS FOR BIG CADET EVENTS BEING ARRANGED.

TO RENDER PROGRAM ON CAMPUS

Machine Gun Platoon May Be Brought Here From Fort Crook for Event.

The plans for cadet camp and competitive drill, the big events of the year for the cadets, are now being worked out by the military department. Dana Van Dusen, captain of Company K, has been given charge of the plans for "compet," and it is his desire to make the event one of more general student interest.

The interest and spirit of the cadets, which usually reaches a maximum on that day, will be further heightened by holding the drill on May 30, Decoration Day, which will be given over entirely to military affairs, if present plans are successful.

Cadets to Join in Parade.

The Lincoln statue will be unveiled on that day with impressive ceremonies, and the cadet regiment will have a part in them. There will be a parade of militia and Civil War veterans, and the cadets will march with them through the city, but not to the cemetery.

In the afternoon the competitive drill will be held on the campus. It is planned to make the company drills faster this year, with less intervals between them. Last year the companies were kept stationed about the campus until it was their time to "come on," and much time was spent in marching the companies on to the field. This year, by keeping them just outside the athletic field, these delays will be done away with.

An Added Feature Planned.

To make the program one of real military interest an effort is being made to bring a machine gun platoon here from Fort Crook, which will go through fancy and regular maneuvers. There has been nothing like this seen in Lincoln before, and a special effort will be made to induce the government to send the platoon at this time. A campaign is being carried on by the government to popularize military life, and also to popularize university drill, for it is under the sponsorship of the government that drill is conducted in universities. So it is thought that this will be an opportunity which the government will take advantage of to make an impressive showing.

Some Costly Prom, This.

At least \$50,000 was involved in the festivities connected with the junior promenade at the University of Wisconsin this year. This year's event was attended by 325 couples. Gowns alone made an expenditure of \$15,000. Railroad fares of the two hundred visiting guests, better known at Wisconsin as "imported peaches," did not total less than \$2,400. The expenditures of men guests totaled \$138 and of the women \$82.25 apiece.

NEBRASKA BASKETBALL PLAYERS MAKE REMARKABLE INDIVIDUAL RECORDS

The individual basketball records for the Cornhusker team were announced yesterday by Coach Stiehm. The coach, however, while commenting on the excellent showing made by his proteges as far as individual play is concerned, wished to call attention to the fact that it is of secondary importance to team play. Gibson, who quit the squad before the end of the playing season, finished with the remarkable percentage of .533, being surpassed in this respect only by Haskell, who, with considerably less chances, made .544. The records follow:

Name	Games	Goals	Opps.	Free Throws		Per Ct.
				Made	Missed	
Gibson	9	35	8	32	28	.533
Haskell	10	31	7	18	15	.544
Carrier	14	50	31			
Hanzlik	5	21	4			
Hyde	3	13	1	6	8	.428
Frank	14	39	29	3	4	.428
Nagl	5	14	4	7	11	.388
Hiltner	12	19	14			
Stryker	6	5	3			
Underwood	4	7	9	0	1	.000

CLASSES REDUCED BY STORM

STUDENTS ARE LIKELY TO ENCOUNTER DIFFICULTY IN GETTING TRAINS FOR HOME.

The big snowstorm that struck Lincoln Thursday morning at an early hour left its impress on the attendance at eight o'clock classes, which was markedly decreased especially in respect to the feminine element. Even so late in the morning as ten o'clock the campus was almost altogether bare of the usual crowd. A gale blowing forty miles an hour showed no let up throughout the entire day, gaining more force toward evening.

Train service out of Lincoln today for students going home for the spring vacation will be badly disorganized and in many cases stopped altogether. A majority of the students plan to leave town Friday morning or afternoon, but they must wait till Saturday morning or later. At a late hour last night trains on the Burlington, Rock Island and Union Pacific were from an hour to five hours late because of the blizzard and on the branch lines traffic had been wholly suspended.

A West Point Vacancy.

The commandant announces that he has been notified of a vacancy in the First Congressional district for West Point. Examinations for this appointment will be held the latter part of April.

M. V. ARNOLD HEADS Y. M. C. A.

LIGHT VOTE CAST AT ANNUAL ELECTION OF UNIVERSITY ORGANIZATION.

Yesterday the annual election of officers of the University Y. M. C. A. was held, but on account of the bad weather the vote was unusually light. There were several men out for each office except that of the president. For that honor Mr. Arnold had no opposition. The voting was heavier in the early part of the election, but at no time did it cause the officials any rush. The total number of ballots cast for the president was only twenty, or about one-tenth of the actual membership.

The following officers were elected: President, M. V. Arnold; vice president, H. H. Wiebe; recording secretary, D. D. Marcellus; treasurer, A. A. Reed; members of the board of directors, from faculty, Prof. F. D. Barker, Prof. J. D. Hoffman; from the city, O. J. Lee; from the class of 1913, H. J. Burtis, F. J. Colbert; from the class of 1914, G. C. Kiddoo, R. M. Lehw; from the class of 1915, D. D. Marcellus, H. S. Reese.

SENIORS PLAN MASQUERADE

AFFAIR WILL BE LIMITED TO MEMBERS OF FOURTH YEAR CLASS.

The senior class will give its masquerade at the Temple the night of March 30. This affair will be limited to members of the fourth year class. It will begin at eight o'clock and tickets will cost but twenty-five cents.

The first hour will be devoted to an old-time country school program, which will be followed by a burlesque of prominent members of the class and other University characters.

NO PAPER TOMORROW.

Our readers are leaving, or better, trying to leave the city; their absence brings about a dearth of news and a lack of inspiration which is discouraging. In consequence there will be no paper tomorrow.

GYMNASTIC EXHIBITION TO BE HELD MARCH 29

NEW AND NOVEL FEATURES FOR THIS YEAR'S EVENT.

ELEVEN NUMBERS ON PROGRAM

Proceeds Will Be Used to Send Nebraska Teams to Annual Western Meets.

The eighth annual exhibition of the University department of physical education will be held March 29 in the gymnasium. Each year new and interesting features are introduced into these events in such manner as to prevent the program from becoming commonplace and no repetitions are permitted to mar their novelty from year to year. The profits of the exhibitions do not go to the athletic department of the University, but are used to send gymnastic teams to the annual meets of the Western Intercollegiate Gymnastic association, the one of the current year to be held April 13 at the University of Illinois at Champaign.

Nebraska Won Last Year.

Last year Nebraska's representatives at the gymnastic meet won extraordinary honors for the school. Elliot, heavyweight, and Ruby, lightweight, both won first place in their class, and, although there were four different classes, their work was sufficient to give Nebraska first place. In the gymnastic exhibition Weaver won third place as an all-round gymnast. This year's meet will include exhibitions of wrestling, fencing and numerous gymnastic activities.

The following is the program of the local exhibition to be held March 29, at eight o'clock, in the armory:

Whole Class Participate.

1. Mass free hand and gymnastic drill by the entire first year men's class, under the direction of C. C. Reynolds.
2. An elementary Swedish day's order by young women of the freshman class, under the direction of Miss Ina Gittings.
3. Folk dances, (a) Russian Polonaise, (b) Kasatschak, by members of the normal training course in physical education, under the direction of Miss Anna Day.
4. Class apparatus work on nine different pieces of heavy apparatus, by the entire first year men's class, under the direction of Mr. Reynolds.
5. A mass obstacle race by men's first year class.
6. Dumb-bell drill by young women of the sophomore class, under the direction of Miss Day.
7. Men's gymnastic dancing—the jumping jacks—by members of the leaders' class, under the direction of Mr. Reynolds.
8. Wrestling bout between Messrs. O. W. Miller and Glen Ruby.
9. Advanced Swedish gymnastics with apparatus, by member of the normal training course in physical education, under the direction of Miss Gittings.
10. The Japanese dance, by young women of the sophomore class in charge of Miss Day.
11. An exhibition of electric club swinging by Mr. Reynolds.
