THIRTY-FIVE MEN OUT FOR BASEBALL TEAM

BIG SQUAD PUT THROUGH GENERAL WORKOUT.

MEANS A SCRAMBLE FOR POSITIONS

Large Number of Candidates for Battery, Infield and Outfield, so Fast Team Seems Probable.

Thirty-five men reported for the first two days of baseball practice, and with these as a starter it is thought that the squad will increase some until the varsity team is finally picked. The large number is due chiefly to the fact that Nebraska has not had a baseball team for two years. This gives all of the men an equal chance for the team, as most of them are of an unknown quantity. No attempt has yet been made to try any of the men out for respective positions, but the plan has been along the lines of a general workout. Each man is being given a chance to work out just as suits his fancy, and after about an hour or so the squad takes a run around the field and then hikes into the gym.

Next week will see the work begun in earnest, and the different men tried out in their various positions. The following men are now engaged in practice:

Dozen Battery Candidates.

Catchers—Buol, Green, Krause, Pearson and Towle.

Pitchers—Armstrong, Carr, Purdy, Rodman, Schmidt, Wake and Witson.

Infield—Andrews, Buck, Diers, Guilfoill, Hartwell, Haskell, Flory, Jones, Lofgren, Noon, Underwood and Whisenand.

Outfield—Ballah, Drake, E. Frank, Hale, Harte, Hayes, Hyde, Lehr, Oliver, Parker and Smith.

For the backstop position Buol, Towle and Pearson seem to have the edge. All three men have had considerable experience and should be able to handle the receiving end of the team. Buol and Pearson are both known in University baseball. For the pitching staff the team has two known men, Carr and Rodman, both of whom are pitchers of varsity calibre. Just what the others will produce is hard to forecast. Underwood at first and Lofgren and Haskell for third are the only infielders whose records are known, as all three have played University baseball. The rest of the men are as yet unknown and a few surprises may develop before the end of the coming week. In the outfield Ballah, E. Frank, Hyde and Oliver are the most promising, yet one or two fast gardeners may be developed out of the remaining candidates.

In all it looks like a good squad, and as Coach Stehm is now busy getting games for the team, it will not be long before the University fan will have a chance to witness his favorite pastime.

Junior Class to Meet.

A meeting of the junior class will be held Thursday at 11 o'clock in the Armory. Important business will come up for consideration. The editor-in-chief of the Cornhusker will be chosen at this meeting and amendments to the constitution proposed.

JEROME R. FORBES, President.

GOING TO PHILIPPINES

Allen T. Newman is Appointed Lieutenant in the Constabulary Service.

Allen T. Newman, '12, leaves school today to take an appointment which he has received from Washington, D. C.

The appointment makes him a lieutenant in the constabulary in the Philippine Islands. He will leave San Francisco about May 1.

This is an honor enjoyed by very few men not yet out of college, and comes to Newman as a result of a faithful work and great success in the civil service examination. Newman is a member of the Alpha Tau Omega fraternity and has been prominent in the military department of the University.

IVY DAY TRYOUTS FRIDAY.

Three Men Left in Race for Senior Class Honor.

The tryouts for Ivy Day orator will be held in U 106 at 3 p. m. Friday afternoon.

Before this year the orator has been elected by the senior class in the same manner as any class officer would be elected; this year, however, the aspirant for the honor must show what he can do before the position is awarded him.

Those who will be contestants in the tryouts are D. M. Rogers, S. Cotner, and C. L. Clark, who has recently entered the race.

BAND TO GIVE DANCE

University Musicians' Annual Hop Will Be Held on Friday Evening.

The band will give its annual dance at Fraternity Hall Friday evening. The committee wishes to thoroughly impress upon the minds of the dancing public that this is to be a limited affair; the ticket sale will cease after sixty of them have been disposed of.

Inasmuch as this is to be Good Friday, and since several large dances are scheduled for the same evening, the matter of limiting will be somewhat simplified. To those who have never attended a limited dance the committee especially addresses its remarks and promises to produce the phenomenon.

Jones' orchestra of six pieces is to furnish the music, the programs will be something out of the ordinary, and the punch will be much the same as prevails at other dances. Tickets can be secured from Paul Johnson, chairman; George Racely, master of ceremonies; R. D. Reavis, or C. G. Beck.

DRAMATIC CLUB TRYOUTS.

About Thirty Aspirants to Obtain Honors.

About thirty aspirants tried out for the Dramatic Club last evening in the Temple theatre.

The list of the successful ones will be announced in the course of a day or two.

"BEANY" M'GOWAN TO STAY

Humorist and Athlete Will Not Quit Cornhusker Team This Spring.

Walter I. ("Beany") McGowan, humorist and athlete, will remain at the University and will participate in track athletics this spring. "Beany" had announced his intention of going to Kansas City to train for the Olympics with the Kansas City Athletic Club. He had intended to leave this week. His friends, however, succeeded in persuading him to remain in school and give his efforts to the Cornhuskers.

He will continue his training for the Olympics nevertheless, and will compete for a place on the American team along with Guy Reed, who also at one time contemplated going to Kansas City this spring.

PLEDGING PLANS PROGRESSING.

No Campus Rushing By Sororities will Be Permitted.

Progress is reported by the inter sorority council on plans for second semester pledging next year. Rushing will probably not begin until the fourth week of school.

No campus rushing will be permitted except for two large functions given by each sorority, freshmen will only be invited to dinner at the sorority houses.

Pledging will take place the middle of February. No freshman will be pledged who has not passed in all of her work.

APPROPRIATION IS LEGAL

Supreme Court Decides Case Involving Proposed \$100,000 Medical Building.

The supreme court has declared legal the act of the legislature appropriating \$100,000 for a laboratory building on the campus of the medical college of the University of Nebraska in Omaha.

A decision written by Judge Letton upholds the law in every particular. The decision affirms the judgment of the district court of Lancaster county, which was that the law was valid. Dr. Samuel J. Stewart of Hastings appealed from the lower court to the supreme court. He alleged that the act was unconstitutional because it amends prior statutes without repealing them or referring to them. It was alleged that the act is class legislation because it will result in the construction of a medical college building to the exclusion of certain schools of medicine. It was also alleged that the act in effect amends an old statute which provides that all University buildings shall be within four miles of the state capitol building.

On this latter point the supreme court says the legislature can enlarge or relax any building limitations it may have established.

Don't Be Lazy!

"Miss Blonde," said the shy student at the other end of the sofa to the fair co-ed, "if I were to throw you a kiss, what would you say?"

"I'd say you were the laziest man I ever met."—EX.

GUY REED IS ASSISTANT MANAGER OF ATHLETICS

LAST YEAR'S TRACK CAPTAIN APPOINTED TO POSITION.

HIS SALARY IS \$500 A YEAR

Preliminary Steps Are Taken Toward Election of Basketball and Football Captains.

Guy Reed, last year's track captain, was appointed assistant manager of athletics at a meeting of the athletic board yesterday evening. His salary was established at \$900 a year. Both Stiehm and Reed will assume their new positions after the expiration of the tenure of the present athletic management on graduation day.

It was decided at this meeting to allow the basketball men their choice of sweaters, thus settling the argument which had arisen over the method of choosing the sweaters.

To Notify All Players.

No election for the football or basketball captaincy will be held until all the men eligible to vote for these officers can be notified and are able to be present if they desire. The task of notifying all absent players was entrusted into the hands of a committee which will begin its work immediately. The basketball election will be more or less a formality since Sam Carrier has already been chosen by a straw ballot. Ernest Frank, it is expected, will be selected to succeed Jerry Warner as football leader.

Class Spirit Low.

Other schools have their class unity troubles, too. At Syracuse twenty freshmen out of a class of over a thousand attended a recent class meeting.

ARRANGE FOR BARBECUE.

Law Committees Named to Take Charge of Affair.

The barbecue committee from three classes of the Law College met yesterday and appointed the following committees to arrange for the program: Program, Dean Hastings, Dr. Maxey, Prof. Conant; sports, A. C. Schmidt, O. A. Frank, W. L. Bates, G. E. Reed; publicity, R. D. Hawley, C. C. Buchanan, C. J. Lord, S. P. Dobbs; commissary, Prof. Conant, Prof. Ledwith, V. C. Hascall, B. P. Slade, G. H. Williams; stunts, J. A. Lawler, E. S. Schieffelbein; grounds and transportation, Prof. Robbins; treasurer, V. C. Hascall.

The date for the barbecue was set for May 8. The price of the tickets will be 60 cents, this being the approximate cost for each individual. Barbecue day is the day set aside for the Laws exclusively. There is to be no restraint upon their personal liberty, no one's feelings will be respected, and no fair co-eds will be present. All loyal Laws are urged to keep their blood-curdling yells suppressed till May 8, when all joy will be unrestrained.

The committee passed a resolution to the effect that the barbecue, since it is now to be an annual affair, shall be held on the second Wednesday in May.
