Did You Ever Get "Busheled"

while trying on a suit of ready made clothes from the "pile?" It is a common custom among salesmen to criss-cross the clothes with a chalk mark while trying them on and assure you that

The "Fit Will Be Tailored Equal to Custom Made"

but the result is they lose their original lines and look like a "hand-me-down." The act of rehashing, called "busheling," is not practiced by us. We give you the best custom-tailoring first-handed and at a reasonable price. See our new Spring and Summer woolen--none finer in the world at \$25 to \$50.
