

### STUDENTS' CONFERENCE

MANY DELEGATES EXPECTED TO ATTEND MEETING OF NEBRASKA ORGANIZATION.

The Nebraska Students' Conference to be held under the auspices of the Young Men's Christian Association of Nebraska opens today at Doane College, Crete, Neb. Sessions will commence tonight at 8:00 and will continue until Sunday evening. Workers' meetings will take up Saturday, culminating in a "conference feed" Saturday evening. This dinner is to be informal, with some "stunts" by prominent Y. M. C. A. men. Delegates will be entertained at the homes of residents at Crete. Seventeen delegates have announced their intention of going from here and it is believed that this number will be swelled to twenty-five before the train goes tonight at 5:30 o'clock on the Burlington road.

"Dad" Elliott and J. P. Bailey will speak at the opening meeting. Other prominent men who will be present and who will speak are:

A. H. Elliott, International Y. M. C.

A. secretary; Dr. W. W. Lawrence, pastor First Presbyterian Church and chairman Men and Religion Committee, Lincoln, Neb.; Guy V. Aldrich, state student secretary of Iowa; R. H. ## Smart Patterns

## Choicest Fabrics

### In Spring Clothes for Men and Young Men

Smart, bright but very neat patterns hold sway this Spring. Basket or Celtic weaves, plain diagonals; stripes, Bedford cords and hair line effects. The very finest imported and domestic fabrics.

Young men who want smart styles are especially well provided for here this year—clever distinctive models from Hendleys, Society Brand and Ederheimer Stein and several other good lines, showing the new English effects and also more conservative models for those who wish.

### "UNIVERSAL" Model

THE "Happy Medium" in Semi-high-toed shoes. Extremely comfortable, while being up-to-the-hour in style.

Its fine, easy-going qualities are due, in large measure, to the skillful "rocker" convex curve of sole, with concave curve of upper.

This latter gives a short vamp that will not wrinkle (through excessive slackening of leather) when forepart of shoe is bent in walking.
