Maine Souvenir for Lincoln. Washington Senator Brown has made application to the navy department for a souvenir from the battleship Maine for the Grand Army collection of souvenirs at the headquarters in Lincoln. The department has advised him that it is holding a prom-

inent souvenir for the city of Lincoln, but as the application made was not signed it has been returned to Lincoln for proper signature. The department says it is impracticable to hold the souvenir much longer. The application was originally sent in by Mr. Mellor, of the Nebraska agricultural board.
