THE CHANCELLOR'S MESSAGE.

By federal law the cadet, even though he ranks as a private, is entitled to be treated as a gentleman. He is entitled to be addressed with courtesy and respect; he is protected from abusive language, and others cannot compel him to do menial service. The officers of the cadet regiment are hereby reminded that all the men in the regiment are entitled to such treatment.

Being entitled to such treatment, University cadets are expected, especially when away from the University, to act as gentlemen. They should constantly remember that they wear a uniform which marks them as University men, and that their bearing and general conduct can and will reflect either honor or discredit upon the University.

They should further remember that they are to encamp in a college town. They will to some extent, be under the eyes of students and professors whose ideals of student conduct are high.

I trust that during the coming encampment nothing will be said or done that will be unworthy of gentlemen who represent the University of Nebraska.

A RESPITE FROM WORK.

The senior picnic, which is scheduled for tomorrow, deserves the patronage of every senior. Perhaps it would be better to say that every member of that responsibility burdened number who does not go, to forget for one brief twelve hours, the problems which betuddle his brain, is to be pined. This is not a society affair, which demands fine clothes and company manners, nor an intellectual combat involving the exercise of brains but rather a gathering, having for its object a good time.

The fare to Milford is not sufficient to bar even the most poverty stricken, the excuse of having to study is null and void on its face, for all seniors are excused from classes, and furthermore they are not expected to study. The time of the train's departure for Milford is not early enough to discourage the laziest, especially in such cool and exhilarating mornings, and lastly, the good time to be had is sufficient to justify going under any conditions.

DUAL MEET WON BY CLOSE SCORE OF 64-53.

MILE RELAY PROVES A FEATURE

Despite Threatening Weather Good Crowd Turns Out—Valley Records Are Beaten.

Saturday Nebraska defeated Minnesota in their annual dual meet. The meet was very close up until the last two events. The mile relay was the deciding event of the meet, as well as the most exciting. The final score stood 64 to 53. Nebraska showed up very weak in the weights with the exception of the hammer throw, which was won by Harmon. There was also a gap in the broad jump while the high jump and 120 yard hurdles were easy for Nebraska.

There was a mistake made in the statement of the local papers in saying that a new Missouri valley record had been made in the half mile. The race was run faster than the valley record, but as this meet was with one of the Big Eight and not with a conference team the former record stands.

Although the day was cold and promised rain the turnout at the meet was very good and the rooters did their share in helping to win the races.

The following is a summary of the meet:

100 yard dash Christmas Nebraska, first; Spink, Minnesota, second. Time, 19.25 seconds.

880 yard run Lindberg, Minnesota, first; McGowan, Nebraska, second. Time, 1:59.25.

120 yard hurdle Russel, Nebraska, first; Kruse, Nebraska, second. Time, 16.35 seconds.

220 yard run Spink, Minnesota, first; Christmas, Nebraska, second. Time, 23.35 seconds.
