WILL RAISE BUDGET

FIFTY Y. M. C. A. SOLICITORS INVADE CAMPUS TODAY.

BEGIN FOUR-DAY CAMPAIGN

Workers Well Organized—Back Cause by Pledging Large Sum Themselves—Will Report Daily.

The annual financial campaign of the University Y. M. C. A. opened this morning with fifty solicitors on the ground and ready for work. The scope of the work laid out for the association is larger this year than it has ever been before, and every effort is being made to pave the way for its success from a financial standpoint.

As in the past, the men of the University will be asked to make this work a success by pledging a part of the necessary money. Part of the expense will be borne by subscriptions from the alumni, parents and faculty, and special gifts. Upon the students falls the responsibility for the rest of the budget.

Solicitors Well Organized.

The workers in this extensive campaign are more highly organized than they have ever been before. Monday evening forty-four association men met in the red room of the City Y. M. C. A. for a feed, a survey of the work, and a discussion of the plan to be followed. Short speeches were made by Arnold, Reitzel, Sinkie, Brown and Nipps. The men present closed the meeting by subscribing \$400 as a nucleus for the amount which must be raised.

The plan for the campaign is simple and effective. Each of the fifty solicitors has a list of twenty-four students whom he knows and to each of these he will present the cause within the next four days. Each night the workers will report to the team captains at the dinner hour in the red room.

Promoters Behind the Cause.

These fifty solicitors have started the fund by a subscription averaging \$10 each as a proof that the promoters are behind the cause.

The next four days will give each man in the University the opportunity to subscribe to a worthy cause—the promotion of clean living and all-round manhood in this institution.

CROSS-COUNTRY WORK BEGINS.

Small Squad at Work for Several Weeks Past—More Men Desired to Turn Out.

Cross-country work begins in earnest next Monday night, September 30. An average turnout of some fifteen or twenty men has been working out for the mile each evening for a week or more. Several times the number could easily be accommodated, and all men interested are urged to register with Captain Boggs immediately.

WILSON TO SPEAK COACH TESTS LINE

PRESIDENTIAL CANDIDATE TO TALK IN TEMPLE SAT. NIGHT.

OCCASION TO BE NON-PARTISAN

Governor Wilson Will Speak to Students Following the Auditorium Meeting—Local Club Will Be Escort.

Woodrow Wilson, formerly president of Princeton University, and a candidate for president of the United States, will speak to the students of the University Saturday while stopping in Lincoln.

It is expected that the Wilson greeting will be one of the most notable non-partisan affairs in the history of the institution.

Governor Wilson will address the students in the Temple at 9 o'clock Saturday night. He will come direct from the Auditorium to the Temple stage.

Chancellor Avery, who is a personal friend of Governor Wilson, will probably be one the platform, but will take no part in the ceremonies. It is the desire of the committee in charge to attach as little political significance to the occasion as possible. The University's greeting to Governor Wilson will be but a cordial expression of respect and regard for his scholarly attainments.

GIVES SQUAD A STIFF WORKOUT AND ENDS WITH SCRIMMAGE.

NOT SATISFIED WITH RESULTS

Mastin, Gibson and Allen on Hospital List—Cornhusker Stock Rising Nevertheless.

Whether or not the squad will round out into a well-balanced, aggressive team is the question that is bothering the fans. Even though to the casual spectator the team seems to be getting their fighting clothes on, "Jumbo" is yet dissatisfied. Only once last night, when the varsity plowed through the whole "scrub" squad, again and again, did he admit that the team might be able to play genuine football.

The coach spent most of his time last night in trying to strengthen the regulars' line. The result of his work was shown when the varsity lined up for scrimmage in the last fifteen minutes of practice. Three times they went through the "scrubs" for touch-downs. Potter was at the helm, the line opened big holes, and the backs hit the opposition so hard that the "pop" could be heard on the side lines. Then Stiehm placed the ball on the ten-yard line and defied the entire strength of the "scrubs" to hold the varsity. And once again the ball was carried over the goal lines for a touch-down.

JUNIOR MEN OUT

TRUMBLE AND DICKENSON OPEN THE POLITICAL GAME.

FRESHMAN GETS IN SWIM

Dennis Aspires for Freshman Plum—Sophomores Quiet—Mulligan Still Only Senior Candidate to Announce Himself.

The second shot in the political fight which comes to a climax next Tuesday was fired yesterday, when two men announced themselves as candidates for the presidency of the junior class. Fred Trumble comes from Minden, is an Agricultural College man, has served on several hop and other committees in his sophomore year, and is a member of Sigma Nu fraternity. Clark Dickensen is a Lincoln High man, was president of his senior class, has been a member of the University debating squad for the last two years, and was a member of the sophomore class debating team last year. Both men are well known around school and have been active in class affairs during the last two years.

In the freshman class the first candidate appeared yesterday, when Paul Dennis, Temple High, announced himself. He is a well-known man among the Lincoln students, and has featured prominently in high school dramatics.

No sophomores have appeared to take part in the fray as yet. Several have been urged by their friends to start the ball rolling, but none seem to have acted on the suggestion. Today will probably see the fight begin in the class of 1915.

In the senior class no further candidates have come out, and Mulligan is the only aspirant for the place. Filings do not close until Thursday, however, so there is still sufficient time for new men to enter the race.

GLEE CLUB TRIALS MONDAY

Annual Tryout for Places in Singing Organization to be Held in Temple.

The annual tryouts for the University Glee Club will be held next Monday evening, October 7, in the music room of the Temple. Last year there were over 100 applicants for places in the Glee Club circle. It is expected that the competition will be just as keen this year, especially in view of the probability of the club making a coast trip.

The tryout will commence sharply at 7:30. Candidates must furnish their own music.

The work on another stock judging team to represent the University of Nebraska at the International Stock Show will begin Saturday under the leadership of Professor Rail.
