

ENGINEERS PLAN FESTIVITIES

Engineering Society Behind Plan of Promoting School and College Spirit.

A movement is on foot among the engineers to work up more Nebraska and Engineering College spirit this semester than has existed before. The engineering society is behind the movement, and is asking for the cooperation of all the men in the college.

As a means to this end a smoker is being planned for, to be held in the near future. In past years this opening smoker has been a red letter day for the engineers to get together and work up what spirit is necessary for their organization. It affords the upper classmen and freshmen an opportunity to get acquainted. The date and place of the smoker will be announced in a few days. At the smoker the date of an Orpheum party will be announced and further plans for the year will be disclosed.

The committees in charge of these affairs are men prominent in the engineering society. For the membership and smoker committee L. R. Owen, S. A. Swanson, S. K. Clark, M. C. Evans, and R. F. Lyman will act. J. C. Shultz, H. H. Harmon, K. Kolls, C. C. Keirle, and C. Wohlford are the committeemen for the Orpheum party. Suggestions from those interested will be received by these men.

Preparations for the first number of the Blue Print, the semi-annual publication of the engineering society, are under way. Editor Carter and Business Manager Krause are getting the affairs of the paper in shape so that there will be no hitch in the matter of publishing it.

WILSON TO SPEAK

(Continued from Page One)

The local Wilson-Marshall Club will escort the candidate to the Temple, and it is expected will be assisted by the band. Definite arrangements as to this feature of the program will be made at a later date.

TICKETS TAKE WELL ON CAMPUS

Members of Boosters' Committee Find No Difficulty in Disposing of Season Tickets.

The number of season athletic tickets sold yesterday has not yet been ascertained, as only a few of the committee have reported. Manager Reed, however, is confident that the sale will exceed by far the results up to this time in any previous year. The red tags were conspicuous all over the campus, and members of the boosters' committee could be seen everywhere.

Miss Igerna Montgomery was the first one to report all her twenty tickets sold. She will receive a season pass for her promptness. Other members of the committee came in later, reporting that it was an easy matter to dispose of the tickets, as every one realized the value offered.

Owing to the fact that not all who desired tickets had a chance to purchase them yesterday, it has been decided to continue the boosting campaign until Friday. Over 1,300 tickets have been distributed to the committee so far. Manager Reed will probably order another lot of tickets to that all may be accommodated.

NOTICES.

Wilson Men Meet.

There will be a meeting of the University Wilson-Marshall Club at the clubrooms at 1220 N street Thursday at 7:45 p. m. to make final arrangements for the club's participation at the reception to be given to Governor Wilson at the depot and at the Temple, where he will probably address the students.

Rhetoric Books Needed.

There is a marked scarcity of textbooks in the rhetoric department, and all students having old or second-hand books can easily dispose of them at either the University book store or the Coop.
