IN CASE OF VICTORY

SUPPOSE WE DO BEAT MINNESOTA? HAD YOU THOUGHT ABOUT IT? MINNESOTA HAS TRIUMPHED OVER THE SCARLET AND CREAM SINCE 1902. TODAY THE CORNHUSKERS ARE ATTEMPTING TO WIPE OUT THE TEN-YEAR "HABIT." IF NEBRASKA WINS THE INNOCENTS HAVE ARRANGED FOR A GREAT TORCH-LIGHT PARADE, STARTING FROM THE CAMPUS AT 7 O'CLOCK, AND CULMINATING IN A MAMMOTH BONFIRE ON THE ATHLETIC FIELD.

IF NEBRASKA LOSES, NO CORNHUSKER WILL BE A PIKER AND FAIL TO CHEER THE TEAM WHEN THEY RETURN. IN CASE OF A MINNESOTA VICTORY NO PARADE WILL BE HELD, BUT A GENUINE CELEBRATION WILL AWAIT THE TEAM ON ITS RETURN.

NOW READY FOR SEMI-FINALS

First Games of Tennis Tournament Played Off—Few Go by Default—Finals Wednesday.

The matches of the tennis tournament are now well under way and the semi-finals will be reached either Monday or Tuesday of next week. The finals will then be played Wednesday. As a result of the games played yesterday Williams qualified for the semi-finals by winning two games. In the first he won from Stryker, 6-2, 6-4, and in the second from Deemer, 6-0, 6-1. So far Williams is the only man qualified for the semi-finals, but Sussman, Meyer and Gardner are expected to be seen in them, and possibly Findley.

These are all experienced players, Sussman having been champion of the Omaha high school, Mayer having won the championship of Nebraska for players outside of Omaha, and Williams went to the third in the Mid-West tournament at Omaha this summer.

The last match yesterday was played between Meyer and Hiltner, Meyer winning, 6-3, 7-5.

As a rule none of the men this fall feel in very good form and have not the usual spirit. This is probably due to the lateness of the season. As a consequence several of the games have gone by default.

FRESH LAWS HOLD ELECTION.

Officers for First Year Law Organization Chosen Yesterday.

The young laws, otherwise known as freshman laws, stopped long enough in their hasty course through this semester to elect officers yesterday. J. S. Allison was made supreme ruler of the tribe, and will be assisted by C. Hudson, vice-ruler; H. Wessel, scribe; Ryan, keeper of the strong box, and Sedgwick, bearer of the hook. These men refuse to be held personally responsible for an law-breaking on the part of their subjects.

STIEHM'S WARRIORS IN TRIM

ON ARRIVING AT MINNEAPOLIS THE NEBRASKA TEAM SPENDS MORNING RESTING, FOLLOWED BY LAST SIGNAL PRACTICE BEFORE THE GAME IN THE AFTERNOON—GLOOM HANGS DEEP OVER MINNESOTA COHORTS—GOPHERS HOLD OUT NO HOPE FOR VICTORY—CORNHUSKERS EXPECTED TO WIN, EVEN BY SUPPORTERS OF WILLIAMS TEAM—JUMBO PREDICTS HARD STRUGGLE.

NEBRASKA'S CHANCES NEVER BETTER

MINNEAPOLIS, Minn., Oct. 18.—(Special to the Daily Nebraskan)—Ready for the battle with Minnesota, Stiehm's men finished their last signal practice Friday afternoon on the Hippodrome Field and will rest all Saturday morning. The air of gloom in the Nebraska camp is hardly as deep as that in Minnesota's home. Not a hope is held by the supporters of the Gopher team that they will have aught to do Saturday except to congratulate the victors and hope for better luck.

The Minnesota team, to all appearances, is composed of green men. Coach Stiehm, however, refuses to believe the reports, and insists that his men, in their weakened condition, will find they have a real job on their hands when they line up on Northrup Field tomorrow.

Minnesota is reported to have some strong forward pass plays, and it is these and the famous shift formations that the Nebraska players will especially guard against. Erdall, the Minnesota left half, will be in the game again tomorrow, but Solem will be unable to play because of a broken arm. The lineup:

With Six "Vets" in Lineup, Nebraska's Chances Soaring.

This afternoon at 3:30 o'clock all eyes will be turned toward Northrup Field at Minneapolis. This will be the scene of the great battle between the Gophers and the Cornhuskers and Nebraska's chances were never brighter than they are today. With six "N" men in the lineup as opposed to two letter men of the opponents the team indeed is a formidable one.

Coach Williams realizes that his men are going up against a strong team when they meet the Cornhuskers, and they are prepared for a fierce contest. He has had hard luck this last week with the injury of Solem, but he has worked faithfully with his green material and will have a good team to meet Nebraska.

Coach Stiehm did not have much to say Thursday night before leaving further than this, "I shall venture no predictions, but I do promise that the Gophers will have to play better football Saturday than in their previous games if they expect to beat us. Nebraska is ready for them and will offer no excuses."

Nebraska enters the game on about even terms with the Gophers, each has a weak and green line, but they are about the same weight. The backfields are speedy, with the Gophers having a little advantage in weight. The two teams meet about evenly, with the Northerners having the advantage physically, for the Cornhuskers are pretty well crippled. All of the regulars will be in the game, however.

Bulletins of the game will be received at Harry Porter's Book Store, near Eleventh and O streets. The bulletins will be received by plays. It is planned to have a football move across a field, showing at all times the position of the ball and how near the Cornhuskers are to scoring on the Gophers.

EXTRA! EXTRA!

AN EXTRA EDITION OF THE DAILY NEBRASKAN WILL BE ISSUED LATE THIS AFTERNOON CONTAINING A FULL TELEGRAPHIC ACCOUNT OF THE MINNESOTA GAME.

FOR THE FIRST TIME IN YEARS THE NEBRASKAN IS SENDING ITS OWN CORRESPONDENT TO MINNEAPOLIS. HE WILL SEND HIS ACCOUNT OF THE BATTLE DIRECT FROM NORTHROP FIELD TO THE EDITORIAL ROOMS OVER A PRIVATE WIRE.

THE PAPER WILL BE DISTRIBUTED AT 6 O'CLOCK TO SUBSCRIBERS FROM THE MEN'S FURNISHINGS DEPARTMENT, RUDGE & GUNZEL, O STREET ENTRANCE.

REQUEST INSPECTION TRIP

Engineers Circulate Petition Asking That It Be Made Compulsory With Credit.

A petition is being circulated among the students in the Engineering College asking that an annual inspection trip with a written report of the same be made a part of the regular course in the Engineering College and compulsory for upper classmen. These inspection trips are a part of the curriculum of Illinois, Michigan and other engineering colleges.

A trip has been made annually for the past few years to Omaha, but no credit has been given. If the plan is adopted trips will be made alternately to Omaha and Kansas City.

SPECIAL UNIVERSITY SERVICE.

Rev. L. R. Howard Introduces New Student Meeting into Sunday Services.

A special University service has been instituted under the direction of the Congregational University pastor, Rev. L. R. Howard. It was held for the first time last Sunday from 5 to 6 o'clock at the First Congregational Church and will be held at that time hereafter. Chancellor Avery, Rev. Dean R. Leland, the Presbyterian University pastor, and Rev. T. M. Shepherd, pastor of the First Congregational Church, assisted Rev. Howard in the first service.

This service has been prepared particularly with reference to students and faculty of the University who have been affiliated with the Congregational churches, but of course a spirit of cordiality to all is expressed.

While the service is to be under the direction of the University pastor, it is expected that it will be addressed from time to time by many different speakers representing the Congregational churches of the state or the country at large.

Four thousand eight hundred and fifty-six foreigners are enrolled in the universities and colleges of the United States as regular students.
