

**CROSS COUNTRY SQUAD CHOSEN**

**Tryouts Tuesday Give Captain Boggs Nine Men to Form a Team From.**

The first cross country tryouts were held Tuesday with a squad of nine men to be chosen from the list of winners. Captain Boggs led the bunch nearly all the way, but finished second in easy style. In all probability he could have won if he had exerted himself, for he was running strong and slowed down a little before the final fifty yards was reached. McMaster finished first, with Kubick third. Charles Anderson, a brother of Louis Anderson of Olympic fame, finished fourth after being handicapped with a couple of weak ankles. The following men finished in the order named and will comprise the squad for the present at least: Diers, Cutright, Kratz, Zumwinkle, V. D. Smith, Hudson.

The course was from the Armory to the Fair Grounds and return. The distance is about five miles and the winners covered the distance close to the thirty minute mark.

Prospects for a winning cross country team are bright this year and Coach Reed is getting the team in good shape, although some of the runners are bothered with weak ankles which can be easily remedied. The first run of the season will be the Missouri Valley run at Columbia, Mo., November 9. —Slick.

**KANSAS STOCK TAKES RISE**

**Showing Made Against Aggies a Pleasant Surprise—Jayhawkers Light Very Speedy.**

LAWRENCE, Kas., Oct. 29 (Special to the Daily Nebraska by E. B. Hackney).—Kansas' showing against the Manhattan Aggies in last Saturday's game was a pleasing surprise to the whole student body. With the team in the worst shape of the season the Jayhawkers were able to consistently outplay the heavier Lowman machine, proving especially strong on the defense. At one point of the game the Manhattan team were held for downs on the Kansas one yard line.

With the Oklahoma game but a week off the Kansas hopes are the brightest since the early part of the season. Both Miller and Martin have been able to remove their conditions and will be seen in the lineup against the Sooners. Martin played the last half of the Aggie game and took quite a prominent part in the victory by his sixty-yard run to a touchdown. Magill was also able to take part in the game and showed up well at quarter.

The hole at guard left by Hatcher's injury has been filled by Groft.

Weidline has taken Groft's place at tackle and showed fairly good form considering his inexperience at the position. Bramwell, a former tackle, is playing at end. The ends will average 165 pounds. Both Captain Brownless and Bramwell are fast, weighty men.

The main trouble with the rest of the squad is their lightness. This played a prominent part in the score of the Aggie game, where Kansas was outweighed fifteen pounds to the man and won mainly on account of the slowness of their opponents.

**ALBION "BILLIKEN" RECEIVED.**

**Rag Receives Neat Little High School Paper.**

"Billiken" is the name of a neat little high school paper, hailing from Albion, Neb., received at the Rag office. This is an unusually well written little paper, and the management deserves much credit for its success.
