

## MISS YATES LEADS

TO ASSUME LEADING ROLE WITH BYRNE MARCELLUS.

### DRAM CLUB PLAY NOVEMBER 23

Members of Dramatic Club Busy Working Up Annual Semester Play—Prominent Students Are in the Cast.

Katherine Yates and Byrne C. Marcellus are to assume the leading parts in "All-of-a-Sudden Peggy" which the University Dramatic Club will present at the Temple Saturday evening, November 23. This is a comedy in three acts written by Charles Denny. It was originally produced at the Duke of York Theater, London, in 1906, and later at the Bijou in New York under the direction of Charles Frohman.

A mystery surrounds the plot of the play, which the members of the cast will not divulge, save that the play is of the Frohman school and one of absorbing interest.

The cast that has been selected to present the Dram Club's first semester play is an unusually strong one, most of them having already appeared before University audiences.

The complete cast is as follows:

- Anthony, Lord Crockerthorpe.....
- ..... Earl Sage
- The Hon. Jimmy Keppel.....
- ..... Byrne Marcellus
- Major Archie Phipps.....
- ..... Reavis Gist
- Lady Crackenthorpe.....
- ..... Miss Hillis
- Millicent Keppel.....
- ..... Clara Wilson
- Mrs. Colquhoun.....
- ..... Alma Plasters
- Mrs. O'Maro.....
- ..... Miss O'Keefe
- Peggy.....
- ..... Katherine Yates

The play is being coached by Florence Farman.

### "ELEKTRA" AT THE OLIVER.

"Elektra," the Greek tragedy of Euripides, translated by Gilbert Murray, will be given by the Coburn Players at the Oliver Theater tomorrow evening.

A novelty of the play is that the scene does not once change during the entire length of the tragedy. The scene of the whole play is laid in the Greek mountains of Argos. The scenic equipment showing the huge boulders, the scraggly cypress trees and the panoramic pastures is extremely realistic. Particular attention has been given the lighting, inasmuch as the radius comes from above as real sunshine. Shadows are cast which gives the groupings the effect of being wrapped with out-of-door atmosphere. As the result, from the gradual coming of the morning to the set of sun and darkness at the close of the drama, is in poetic harmony with the whole austere beauty of the play.

Mrs. Coburn will be seen in the title role of "Elektra" and Mr. Coburn in the part of Orestes, Elektra's brother. The costumes are simple, accurate, and in the barbaric color of the age.—Adv.

## LAST FRESHMAN RALLY

Victory in Olympics Dependent Upon Enthusiasm Shown—Co-eds' Presence Desired.

The freshman class will hold its last big meeting before the Olympics this morning at 11:30, immediately following the convocation. A number of good speeches are promised, and the final plans for the big scrap will be announced in detail. Freshman caps will also be discussed. Mr. Ankeny of the Olympic committee wishes it emphasized that this meeting is extremely important and that the victory next Saturday depends to a large extent upon the amount of enthusiasm displayed at this meeting.

The co-eds are particularly urged to be present. Freshman class meetings heretofore have been noted for their lack of the feminine element, and it is hoped that the future will see more suffragettes in the audience.

Blue and gold have been selected as freshman colors, and will be in evidence at the games next Saturday morning. Arrangements have been made with a big department store to furnish caps for the entire class at a very nominal price. Blue caps will be worn with a gold "N" and the figures "16." The first-year men express their confidence in winning from the sophs, and declare that they will be wearing their new caps one week from next Saturday. —Fuzz.

The Coburns are playing a series of Shakespearian and classic plays all over the country, and especially to college audiences. When last here Mr. and Mrs. Coburn attended convocation and made some interesting remarks on the nature of their work.

## OLIVE DRABS HAVE ARRIVED

Regimentals Will Be Given Out This Week—Guns and Equipment Distributed to First-Year Men.

The new uniforms of the first-year cadets have arrived and will be distributed among the cadets as soon as possible. They have been expected for some time, but circumstances have caused a delay in shipment and they have just been received by the military department. The uniforms are of the conventional and official olive drab as those of last year, with perhaps a slight difference in the texture of the cloth.

In order that there will be no confusion in the distribution of the suits among the men, Lieutenant Bowman has decided to give them out to one company at a time, as the boxes are marked according to the different companies. Thus Company A will be the first company to receive uniforms, and the men of this company will receive their "olive drabs" tonight. Each evening hereafter the next companies in order will be supplied in the same manner.

The second-year men of Sergeant Johnson's squad have recently been drilling with guns and are once more regaining their proficiency in the manual of arms. The guns and equipment will be distributed to the new men in the companies tonight, and although it now becomes quite dark during the drill hour, making the correct execution of commands difficult, nevertheless the cadets will soon be able to "shoulder arms" with the precision of the veterans. —C. ## FRESHMAN SHOW UP STRONG

Promising Material Uncovered in Olympic Tryouts—Wrestlers and Boxers Chosen—Relay Team Later.

In the freshman Olympics tryouts held last Saturday evening there was very promising material uncovered. The names of those winning out in these tryouts are as follows:

- WRESTLING.**
- |                            |     |
|----------------------------|-----|
|                            | Wt. |
| Lightweight, Hager.....    | 133 |
| Middleweight, Koppel.....  | 147 |
| Heavyweight, Hoagland..... | 164 |
- BOXING.**
- |                              |                |
|------------------------------|----------------|
| Lightweight, Hager.....      | 133            |
| Middleweight, Lonabaugh..... | 145            |
| ..... Heilman.....           | 148            |
| Heightweight.....            | Not determined |

There are a number of men yet to try out for the relay and the tug-of-war and these men have therefore not been determined. The names of these men will be given out as soon as possible. There are numerous applicants, and it is only a question of eliminating those who are proven to be inferior to the others. —C. N. B.
