## FOUR OUT OF GAME BLood to flow this morning 'trying out for rifle club Girls' MEDALS HERE

CORNHUSKER TEAM SADLY DE PLETED AT WRONG TIME.

StIEHM AFTER A NEW PUNTER Must Have Extra Good Kicker to Op pose Bennie Owens' Famous Duet, Each of Whom is Good for

Forty Yards.

The varsity went through another gruelling in secret practice last night. Coach Stiehm has a big problem on his hands in getting together a good ma chine for the Oklahoma game. Potter who has been running the team at quarter, will probably be out of the game with a wrenched back, and so will Purdy be absent on account of his knee. A couple of men have been dropped from the squad on account of ineligibility. With four men out of the lineup prospects are not very bright for a Cornhusker victory
The practice last night consisted of hard, long scrimmage almost equa to that of Tupsday night. The varsity was lined up agatnst the freshmen who used Oklahoma plays. The regulars were unable to do much with them but Stiehm is trying to build up a de. fense that will stop the shifty Sooner backs.
Several men were doing the punt ing last night after the showing that was made against Kansas last week. But no doubt Howard will be called upon to do the kicking next Saturday. His work was not up to his usual standard last Saturday, but was partially due to the sifting through the Ine by the Jayhawkers.
In Reeds and courtright the Soon ers have a pair of backs that are de mons. Both are very speedy and work together with the fullback like clock work. They have been able to circle any of the ends they have played against this year. The Sooner line, al though much lighter than Nebraska is very shifty, charging low and hard The line proposition need not be feared very much, but Courtright, the star place kicker, will bear watching.

Tickets for the game next Saturday have been placed on sale at Harry Porter's, and are selling rapidly. Indications that a large crowd will be in attendance. The game will be a good one, as Oklahoma, although not a member of the Missouri Valley Conference, has been defeating conference teams the last couple years and defeat. ed Kansas this year on the Jayhawker field-Jimmy.

Fignt to Be Pulled Off at 10 o'Clock.

This morning at 10 oclock will be played the annual junior-senior football game. As usual it will also ex hibit a fine assortment of wrestling. boxing, and other minor athleties. The captains of both teams promise that a crowd out for a bloody sight will not be disappointed in the least and from past years games it is prob able that this will be true. The only thing which can rival ordinary interclass football is interfraternity basket ball. The latter is a polite excuse for old-time enemies to attempt to kill each other by the slowest form of torture known to the civilized world. In class football, however, the number which ach team may kill, maim or butcher rom their opponents is limited to ighteen, if that is all they have on he squad.
In return for dying a martyr's death on the gridiron sweaters are given to the vietims each year To defray the expense of these jerseys and the nu merals on them an admission price of 0 cents will be chareed for the game oday.
The winners of this game will play he victorious sophomore machine next Tuesday Everybody get out this morning and help your team ket the sweaters.-Sn.

## ond Battalion Men-Theoretical

## Work to Start Soon.

The successful candidates for the Yates Rifle Club will be of the University cadets will be announced some ime next week. The flrst and second battallons have already tried out, and the third battalion tries out this afternoon. Only twenty men will be selected from among the best sharpshooters of the regiment and this will elimi. nate all but the "crack shots."
The Rifle club will be unusually good this year, although not quite enough Interest has been taken thus far in this military organization. Those who have already tried out have shown great possibilities, and the radets of the third battalion will have to shoot well to outclass those who have gone before.
The class in theoretical drill for the second-year men will begin shortly af ter Thanksgiving. This is open to all those who have had one semester's drill or more. All this time the second. year men from the football squad will also be in attendance
The second year and first year men from the football squads at the close of the football season will be srat tered throushout the compantes. The recond year men will be distributed among the companies regardless of previous assignments, as on acconnt of the fact that the companies hav already been made up. Individual pref. erences can not be considered The first year men will be lined up in the awkward squad by Sergeant Johnson, to be thoroughly drilled before beink assigned to their companies. (. N. PLANS FOR DEBATE COMPLETE
Dance to Be Given in Connection with the Debate-Tickets On Sale

## Now.

Plans are now foing forward for the debate with the University of Illinois to be held here Necember 13 ( $F$ Radcliffe, Jerome Forbes, and (') 1 . Ryan, who are in charge of the de bate, have arranged for a dance to br given at the Temple music hall immediately after the debate. Music will be furnished by Jones' orchestra. This dance is given in connection with the debate, and only those who have tick ets to the debate will be admitted. As the debate will be over at about 10 oclock, there will be plenty of time to enjoy the dance.

A similar plan was followed last ear, but arrangements for it were not made soon enough. Consequently it was not advertised sufficlently and did not boost the attendance to the debate as much as it would had more known about it.

This dance is thought to be quite an inducement and should not fail to draw a larger crowd to the debate, The price of a ticket, which includes both the debate and the dance, is 50 cents. Tickets are now on sale at Harry Porter's, and can also be procured from C. L. Ryan, C. F. Radcliffe and Jerome Forbes.-I. K. F.
