READY FOR "PEGGY"

FINAL REHEARSAL FOR "ALL-OF-A-SUDDEN PEGGY"

YATES AND MARCELLUS LEAD

Dramatic Club Putting Forth Its Best Material to Present Denny's Popular Play Tomorrow Night at the Temple.

The final rehearsal for "All-of-a-Sudden Peggy," which the University Dramatic Club will present at the Temple Theater tomorrow evening, will be held this afternoon on the Temple stage. Members of the cast have been going through a series of practices this week, and have the play in good shape for presentation.

Is a Frohman Play.

"All-of-a-Sudden Peggy" was written by Charles Denny and first presented in this country by Charles Frohman at his New York Bijou Theatre. It is a play of three acts, and the action centers around the suddenness of the disposition of the title figure, Peggy. Katherine Yates, a member of the senior class, has been cast in the leading feminine role, and judging from her work in the past, it is expected that she will do a very creditable piece of work. She was last seen by University audiences in "The Diplomat" which was presented by the Kosmet Klub last spring. She has also taken part in various Dramatic Club plays.

Byrne Marcellus who takes the part of Kappel is not a stranger to University audiences. He played the leading role in the senior class play, "Hearts Ease" two years ago, and the Dramatic Club play, "Christopher Junior" several years ago.

Other members of the cast are well placed in good parts. Miss Hills, and Miss O'Kief do good work in character roles, while Earl Sage and Reavis Gist are seen to advantage in parts peculiarly adapted to their capabilities.

Going in a Body.

Seats went on sale yesterday noon, and by last night the house had been practically sold out, only several rows in the balcony being left. The Agricultural Club, the Union Literary Society and several fraternities, and sororities have taken seats and will attend the performance in a body.

The cast for the play is as follows:

Anthony, Lord Crockenthorpe.....
.....Earl Sage
James Keppel.....Byrne Marcellus
Major Archie Phipp.....Reavis Gist
Jack Menzies.....Don Ahrens
Lady Crockenthorpe.....Ethel Hills
Millicent Keppel.....Clara Wilson
Mrs. Colquhoun.....Alma Plasters
Mrs. O'Maro.....Bernice O'Kief
Peggy.....Katherine Yates

The play is being coached by Florence Farman, and staged by W. L. Ross.

ALUMNI JOURNAL OFF 'PRESS

Third Issue of Alumni Publication Fully Interesting Articles and News of Nebraska Graduates.

The third number of the University Journal for the year came off the press yesterday and will be ready for distribution today. The leading article in this issue is an article by Dean Burnett on "Teaching Agriculture in the High School." Another paper by W. E. Hardy, of this city discusses the question of "Fraternities and Scholarships," accompanying the fraternities of their country to the clubs of England and the corps of the German universities. A third paper, by Ella B. Gunn, '12, gives the results of an investigation of recreation conditions in rural towns of Nebraska.

A very noticeable part of the paper, however, is the large space given to, and filled by, personals relating to the activities of Nebraska alumni. The services of several assistants are required by Prof. Reed, the editor of the Journal in keeping an accurate check on the whereabouts of the alumni for mailing purposes. Notices are sent periodically to the alumni to whom the paper is sent free, and the answers to the notices bring interesting accounts of experiences of the grads scattered throughout this country and foreign lands. Each edition of the Journal contains a new directory of names, covering several pages. M. V.

JUNIORS DEFEAT SENIORS

Much Enthusiasm is Displayed at Second of Inter-Class Series—Final Game Tuesday.

Before an enthusiastic crowd of several hundred the juniors defeated the seniors by a lone touchdown. This was the result of a fumble by the seniors with the juniors recovering. A forward pass from Racely to Young made the only score of the game. The goal attempted by Racely being missed.

For three quarters the two teams fought their way back and forth across the field. The senior team outweighed their opponents several pounds to the man but were unable to stand the pace. The junior backfield proved itself to be a wonder in speed and forming interference. Shirey and Racely were the consistent ground gainers for the juniors. Kavan at tackle also stopped several senior plays before they were fairly started.

Beaver, right half and Rodman, quarter back, made most of the ground for the seniors although McCormick did good work at fullback while in the lineup.

More enthusiasm was aroused at this game than has been known for several years. The championship game next Tuesday between the Sophs and the juniors ought to bring out a record-breaking crowd for interclass football.—Jimmy.

NO TEAM IN CHICAGO MEET

Lack of Eligible Material Causes Decision to Withdraw—Will Enter at Omaha.

Owing to the poor condition of the cross country team and the poor showing made in the Missouri Valley run at Columbia Nebraska will not be represented at Chicago in the Western conference run. Instead of this a team of four men have been entered in the Y. M. C. A. run to be held at Omaha Turkey day. Only three men are allowed to run but an extra man has been entered. The course will be only three miles in length.

By entering only three men in the race Nebraska ought to be able to pick out three men of pretty fair condition from the bunch of cross country cripples. Hard luck seems to have camped in the cross country team this year. Delinquency has put one or two out of the race while sprained ankles or something else have incapacitated nearly all of the rest of the bunch.

The run at Omaha Thanksgiving day ought to bring out some fast distance men. Quite a number of the distance men near Omaha participated in this run. Teams are entered by the Y. M. C. A.'s of the three cities and the schools of the metropolis. Although they have much opposition the Nebraska team should make a creditable showing Thanksgiving day. Jimmy.

ALL HOP TICKETS ARE SOLD

Barq Will Be Raised Against Those Trying to Get in Without a Ticket.

All tickets for the sophomore hop, save a few which can be had at the Nebraskan office have been sold according to a statement by Russell Swift, who is chairman of the dance. The dance will be held this evening at the Lincoln Hotel and is positively limited to those holding tickets.

There will be no admissions to the door and it is declared by the management of the dance that those trying to get in by the "steal route" will save themselves considerable embarrassment by changing their tactics.

The grand march, led by George A. Spooner as master of ceremonies and Russel Swift, chairman of the committee will begin at 8:15.

Especially foxy programs have been prepared for this occasion and their novelty will be sure to please the fair ones.

Louie Hagensick will furnish the music which will contain nothing but the newest hits from this year's musical comedies as being played in Chicago and New York. If present indications prove good a thoroughly enjoyable party will be enjoyed by every one present.—Sn.

Anderson-Cattle Marriage.

Invitations are out for the wedding at Seward on November 28 of Arthur L. Anderson, February, '09, and Alice Muriel Cattle. Mr. Anderson is with the Ford, Bacon & Davis Company of New York, engaged in irrigation work at Valier, Mont.

STOCK TEAM LEAVES

SIX MEN GO TO INTERNATIONAL STOCK SHOW.

WILL SPEND WEEK ON TRIP

Going by Way of Stock Farms in Iowa, Wisconsin, and Illinois. Team Will Get Fine Point of Judging.

The Nebraska stock judging team, consisting of J. W. Whisenand, H. B. Pier, R. J. Possen, H. W. Richey, Hugh Raymond, and J. J. Schulte, alternate, and accompanied by Professor Ellis Rail, coach, left this morning via the C. B. & Q. for the International Stock Show in Chicago, Saturday, November 30.

Well Prepared for Meet.

The team has been working for two months at the State Farm and also on stock farms at Creston and Osceola, Iowa, with the result that they are in fine condition for a test such as will be imposed in the Chicago meet. In order to more fully prepare there will also be more preliminary work on assorting the fine points of stock at Ames, Saturday, at Wakeshaw, Wis., Monday; at Pewaukee, Wis., Tuesday; at Jamesville, Wis., Wednesday; at Wayne, Ill., Friday; arriving in Chicago Friday afternoon, Nov. 2.

Best Schools Compete.

The judging next Saturday will be carried on in competition with some of the best agricultural schools in the country. In past years Nebraska has turned out a team which has placed high in this event, and it is expected that this year's team, with the assistance of the trips taken for the purpose of noting the finer points of judging will place high, if not highest, against the competing teams. Last year the team suffered a reverse, coming out of the show with last place to its credit, but the second place honors, taken the year before, together with what the team is expected to get this year, will more than compensate for this.

Professors Lee and Bliss of the Animal Husbandry department will follow the team later in the week, to be present at the show and carry the Nebraska spirit direct from the campus to the members of the team.—J. R. W.

LARGE FULGURITE FOUND.

Loaned to the State Museum by Oscar Hans of Sutton County.

Miss Barbour has just finished and placed on exhibition a large Fulgurite collected in Stanton County, and loaned to the Museum by Mr. Oscar Hans. This Fulgurite is about nine feet long and is forked at the lower extremity. It should be explained perhaps that a Fulgurite is a lightning tube. Sand is fused electrically by the thunder bolt. This is an uncommonly large example of its kind.
