Always "in order" Christmas gifts for men selected at this men's store.

We especially solicit the patronage of the ladies, confident that our courteous, efficient service and our splendid holiday assortments of seasonable wearables will make buying here a pleasure.

Every man will be interested in our clothing department right now.

Two big shipments of suits and overcoats just received (Kensingtons and Kenmors which were delayed in making.)

They are equal in every way to the finest of our regular fall stock in fact superior to them in lateness of style.

But because of the delay we've bought them close and are pricing them the same way. Really great values that you won't pass by when you learn about them.
