"I Certainly Do Love Ice Cream"

Scene from Geo. M. Cohan's "Broadway Jones."

At the Oliver, Friday, Saturday and Saturday Matinee.

"For the first time in the history of Lincoln there will be a premier performance, in this attraction. Mr. Geo. M. Cohan is now and has been playing this comedy all season in his own theatre on Broadway and this company is organized to play only the largest cities. The company will jump direct from New York to Lincoln, then to Denver for the following week, with Salt Lake and Los Angeles to come. The company was selected and rehearsed by George M. Cohan, and an evening's entertainment such as you seldom have in Lincoln is assured." F. C. ZEHRUNG.

CLUB OFFERS PRIZE TO WRITER

The offer of the Glee Club to give a box at its home concert to the Nebraskan who will write a "University Anthem," has caused a great deal of comment among the student body, as this need has been long felt.

Professor Mills, at the School of Music, will be glad to give any information as to what is wanted to those who wish to work on it during vacation. All manuscripts must be submitted by January 10, 1913.

BUY RAILROAD TICKETS EARLY.

Students who are planning to leave on the Burlington trains either Friday or Saturday are requested to buy their tickets as early as possible. These will be stamped ahead of time and will be a help to the railroad company in forming their trains and estimating the required number of coaches. In this way the crowding at the last moment and the delay in making up trains will be entirely obviated. Fuzz.
