KOSMET OFFER STILL OPEN

Klub Redoubles It's Effort to Secure Suitable Play for Annual Production.

CONTEST OPEN A WEEK LONGER

The Kosmet Klub held a meeting Thursday evening to consider the original manuscripts submitted for it's annual play to be given April 25th at the Oliver Theatre. The Klub was disappointed in the fact that very few manuscripts were turned in. Of these, while one or two showed much cleverness and originality, there were none which seemed to fit just the requirements of the Klub at this time. The Klub feels that it must have a play, and again urges the students who may have compositions finished or under way, to consult any member of the Klub in regard to same. Because of lack of time, this should be done before Friday, January 17th, the date, to which time for submission of manuscripts, has been extended.

Try-outs for the play will be held immediately after the beginning of the second semester at a date to be announced later.
