CAMP TO BE ABANDONED

UNIVERSITY SENATE VOTES TO DO AWAY WITH HIKE OF CADETS AT MEETING.

MILITARY COURSE ALTERED

Hereafter But Two Hours Drill Will Be Given During Winter Weeks
64 Hours Credit Will Exempt One From Drill.

At a meeting of the University Senate held last evening it was decided to permanently abandon the annual military camp. This decision came as the result of an investigation by the committee on the Correlation of Courses, consisting of Professors Fossler, Chatburn, Wolcott, Bruner, and Engberg, and is concurred in by Commandant Bowman. The course of hours has also been changed by the action of the Senate, providing for the division of the year in drill into three parts, in the first and third of which four hours will be given per week, and in the second, during the winter months, but two hours will be given. Other rulings were also made with regard to credit for drill, settling the question of upperclassmen entering from other schools without the drill requirements.

The action thus taken expresses the opinion of the faculty on one of the most disputed questions concerning the students. It will be presented at the next meeting of the Board of Regents for final action, but coming as it does with the strong recommendation of the faculty it will undoubtedly meet with the approval of that body. The clause concerning camp will go into effect this year; the rest of the recommendation applies to next year, taking effect in September.

The report in full, is given below:

Report of Committee.

On the basis of the foregoing report and on the further basis of a number of conferences with the Commandant, Lieutenant Bowman, the committee makes the following specific recommendations and recommends their adoption by the University Senate:

4. Beginning November 1st, and ending March 15th, (or during the second semester at the discretion of the Commandant) of each year, an elective one-hour course in Military Tactics shall be open to students of the

CAMPUS NO PLACE FOR MEDICS

General Health of Student Body Offers Little Encouragement To Medical Profession.

ONLY ONE SERIOUS ILLNESS

This year stands out in very marked contrast to last year with reference to the health of the student body as a whole. Thus far very little serious illness among the students has been reported, while last year a serious epidemic of typhoid fever, one of mumps, and several cases of smallpox prevailed over the campus.

In fact, but one case of serious illness has been reported to the University authorities this year—that of G. R. Fuller, who is quarantined on the third floor of the Sigma Chi house with diphtheria. His steady improvement has been reported.

Further than this, the list of excuses which have been turned in shows nothing but trivial illnesses, which, as many know, are often times quite trivial, indeed.

FORMER PERUVIANS BANQUET

80 Students and Members of Faculty Dined Saturday Night at Lindell Toast University Spirit.

The Peru Club banqueted at the Lindell hotel last Friday night. There were seventy-five or eight present, including a number of guests. According to reports the feast was a huge success, and reflected much credit on the president, R. R. Spafford, and the secretary, G. W. Smith. The guests of the club were Deans Sherman, Burnett and Wolcott; ex-State Superintendent Fowler, and Professor Brownell, formerly of the Peru faculty.

The toast list, presided over by G. N. Foster, included several of the University faculty and prominent members of the Peru Club. The general trend of the speeches was at all times towards University spirit in the club, and the aim of the Peru Club in the University Life.

CALL OUT JUNIOR ACTORS

COMMITTEE ON PLAY SUDDENLY ANNOUNCES TRYOUTS FOR PLAY ON WEDNESDAY.

TO DRAMATIZE "NATHAN HALE"

Quick Action Necessary On Part of Aspirants for Honors of Place—
Copies of Manuscript To Be Had in the Library.

An abrupt announcement has been made by the committee in charge of the Junior play to the effect that tryouts for places in the cast will be held Wednesday evening, beginning at 7 o'clock. The short space of time given for preparation is explained by the fact that the play is to be held on February 21st, and it is desirable that sufficient time be allowed for rehearsals to the successful candidates, that the production may come up to the usual standard of the plays class.

Is Masterpiece of Clyde Fitch.

"Nathan Hale," by Clyde Fitch, will be the subject of the theatrical efforts of the Juniors for this year and will offer more than ample opportunities for the display of all the student talent that may be put forth. The play is reputed among competent authority as being the strongest effort that has come from the pen of Clyde Fitch. The plot is set in revolutionary times and deals with a historical character bearing the same name as the play. The story introduces the hero as a school teacher of a colonial school with the heroine as his pupil. The adventures of Nathan in his resistance to the loyalists, his volunteering as a spy and his subsequent adventures in the British camp form a tale that is full of interest from both a dramatic and historical viewpoint. The play is complete with strong situations and the trial scene in which Nathan is condemned as a spy with his sweetheart as a witness is considered one of the most powerful dramatic situations to be found in drama.

Nathan Hale was originally enacted before the public by Nat Goodwin and Maxine Elliot and is dedicated to these theatrical celebrities. The large royalty paid for the privilege of production attests to the general worth of the play.

Registration Today and Tomorrow.

Copies of the manuscript are to be had at the reserve desk in the library. Registration of candidates for places will take place in U 106 from 11 to 12 o'clock today and 12 to 1 o'clock tomorrow. The time allowed to each aspirant will be three minutes, with the privilege of arranging with Miss Howell for combinations.

The Junior committee in charge of the play are: Frank Kruse, chairman, Harold Diers, Clarence Clark, Alma Plasters, Clara Janouch and Gertrude Scribner.
