HAVE YOU EXAMINED ONE?

More L. C. Smith Typewriters used by the University of Nebraska than all other makes combined. Just the result of a careful and thorough test. Call and see one of the new models. If you do not find time to call, drop a card for the booklet.

During the past few months we have secured as part payment on new L. C. Smith typewriters sold, a large number of other makes, many good as new. These will be sold for One-fourth to One-half original cost. Certainly some real bargains.

Our stock of rental machines is very complete, any standard make.
