Many University Professors Have Enjoyable Trips Over State Each Week End as Judges.

The first series debates of the sixth annual contests of the Nebraska High School Debating League began last Friday evening on the proposition that "American cities should adopt a commission form of government." ## DISCUSSION OF INTER-SORORITY COUNCIL THREATENS

Delta Gamma Withdraws and Alpha Phi Considers the Same Action—Will Act Today.

A sensation was started in sorority circles last Saturday when Delta Gamma withdrew from the Pan-Hellenic council. Rumor on the campus Monday said that Alpha Phi and several other sororities were planning such action today but nothing definite could be learned. When asked as to the reasons for this action a member of Delta Gamma gave the following interview to a member of the Daily Nebraskan staff: "We are withdrawing until the chairman of the council is given power to penalize for infractions of rules. So many sororities have been breaking rules this year that none will agree to punish the offenders and they have done as they liked in regard to obeying these regulations. This laxness on the part of the council does not agree with our ideas of justice and we have withdrawn from the council until action such as we have suggested is taken."

Such disruption has been expected for some time as it is a well known fact that second semester pledging this year has developed more illegal rushing than any plan ever used in the past. Mutiny has become especially imminent in the last few days when it became known that certain recognized offenders have sworn on their honor that they obeyed the rules.

The following sixty-five girls were announced Saturday:

**ALPHA XI DELTA**—Edna Bushnell, Fremont; Ruth Carroll, Lincoln; Madge Daniels, Ord; Helen Pierce, Harlan, Ia.; Carroll Spaulding, Gothenburg.

**ALPHA CHI OMEGA**—Mrs. Lillian Dobbs-Helms, Lincoln; Marie Cusack, North Platte; Celia Conklin, St. Paul; Esther Joy Lawrence, Lincoln; Elizabeth Lawrence, Lincoln; Clarice Breese, Lincoln; Julia Hitchcock, Lincoln; Ruth Brownell, Lincoln; OchsahWentz, Spring Grove, Pa.; Marjorie Little, Lincoln.

**ALPHA OMICRON PI**—Veva Young, Superior; Gladys Dominy, Hardy; Irma Hauptman, Lincoln; Ethel Olsen, Sioux City; Gladys Lowenberg, Fremont; Edna Froyd, Wakefield.

**ALPHA PHI**—Mabel Anderson, Wahoo; Beulah Brewster, Beatrice; Reta Hollingsworth, Vivienne Holland, Jessie Miller, Lincoln; Hazel Norris, McCook.

**CHI OMEGA**—Rachel Carlson, Oakland; Anabel Forrest, Lincoln.

## VICTORIOUS HUSKERS RETURN WITH SCALPS

Four Games Are Added to Nebraska's Credit During Last Week's Trip To Iowa Schools.

The varsity basketball squad returned yesterday from its four day's tour through Iowa, coming home with four victories to its credit.

The first two days of the trip were spent in defeating Drake at Des Moines 21 to 4, in the initial contest and 25 to 10 the next day.

Thursday afternoon after the game the team went by Interurban to Ames where the first tussle resulted in a score of 29 to 12 and the final game of the trip 16 to 10.

A strong showing was made in all these combats and the coach is well pleased with the men's work. In most of the games there was so little strife that the Nebraska team seemed to be playing with their opponents.

Next Friday and Saturday come the final games scheduled before the Missouri Valley championship series. Ames is to be met both nights on the Armory floor and two exciting contests are promised. After the game Saturday night an informal dance will be given in the chapel.

## CRETE CONFERENCE CLOSES

Nebraska Represented By Fifty Students.—International Conference In Kansas City Next January.

The Nebraska Student Missionary Conference at Crete, which was the largest and most successful ever held in the state, closed Sunday evening. The State University was represented by a delegation of fifty students. Speakers included men and women that had returned from China, Africa, and India and secretaries of the movement expecting to leave soon for the foreign field. Representatives from fourteen different colleges and universities of the state received a vision of the world, its needs, and the great opportunity of placing one's life where it will serve the greatest end. Definite plans were made for securing a large Nebraska delegation to the International Quadrennial Student Missionary Conference to be held in Kansas City, January 1-4, 1914.

Committees for organizations taking part in the University Night program, are urged to hand in to Owen Frank a draft of their part to be taken in the program.

## BEST SCHEDULE EVER

COACH STIEHM AND MANAGER REED ANNOUNCE PLANS FOR FOOTBALL NEXT FALL.

## PLAY MINNESOTA EARLY

Iowa Comes Last of Season.—Kansas and Ames Only Good Games Not Played on Nebraska Field.

At last the football schedule has been announced. After weeks of speculation it has finally materialized into something definite. Now the enthusiastic follower of the pigskin has something on which to build his air-castles. As he sits whiling away the snowy hours or disdainfully watching the baseball "fan" cavort upon the diamond under the broiling sun he will have the setting for a picture of Nebraska tearing large holes in the Gophers or Hawkeyes line. The schedule as announced is one of the hardest that has ever been put up before a team. A man who wins an "N" next fall will surely earn it.

Much time and consideration has been put forth in the preparation of this year's schedule. There are scheduled two games with teams in the "Big Ten" and three with Missouri Valley teams. Student sentiment in the matter has been carefully taken into consideration and conformed to as nearly as possible. A game with Missouri was worked for and after many negotiations the fourth Saturday was offered to them but they refused with thanks.

Washburn was given a place because of their showing against Kansas last year. They lose but two men this year and ought to put up a stiff fight. The Kansas Aggies are next. Their caliber was shown here last fall. After their game with Nebraska last year they played even better ball than before the game.

The third straight game at home is with Minnesota. This is to be the great "home-coming" for the alumni, and many extra attractions are planned. There will probably be more alumni home at this time than at any other one time in the history of the school. Many an old "Grad" is planning already to be in Lincoln and has only been waiting to see when the game was finally set before making his final arrangements.

The Haskell Indians will appear on Nebraska Field again. They are under the famous old Kansas coach, Kennedy. Coach Kennedy has turned out three teams that have defeated the Cornhuskers.

Ames at Ames is the next game. The rivalry between Ames and Nebraska is so well known that no mention need be made of the fierce conflict that is to be expected. Wesleyan follows in preparation for the Kansas game down at Lawrence.

The last great game of the year will be with Iowa. Relations with Iowa
