## PRIZE FOR ORATION

INTERNATIONAL PEACE ASSOCIATION TO CONDUCT CONTEST TO OPEN WESTERN COLLEGES

### NEBRASKANS MAY ENTER

Quite Large Inducement for Those Having Ability As Exponents of Peace To Demonstrate Same.

(Special To Daily Nebraskan.)

ST. LOUIS, Mo., Mar. 11.—A prize of \$100, to be awarded to the winner of the oratorical contest which will be conducted in St. Louis by the Intercollegiate Peace Association during the Fourth American Peace Congress, May 1, 2 and 3, and in which students of Nebraska colleges will be entered, has been offered by the Business Men's League of St. Louis, the city's foremost commercial organization, and each state committee chairman is a member of the association's advisory council. The chairman of the state committee for the five states constituting the Western Group are: Prof. C. K. Hoyt, Huron College, Huron, S. D.; Prof. Manley O. Hudson, University of Missouri, Columbia, Mo.; Dean F. K. McMenemy, Creighton University, Omaha, Neb.; Prof. Albert T. Mills, the James Milliken University, Decatur, Ill.; Prof. W. R. Raymond, Iowa State College, Ames, Iowa.

James E. Smith, chairman of the executive committee for the peace congress, has been notified by the Intercollegiate Peace Association's secretary and treasurer, Prof. Stephen F. Weston of Antioch College, Yellow Springs, Ohio, that the oratorical competition at St. Louis will be that of the Western Group, comprising the states of Illinois, Iowa, Missouri, Nebraska and South Dakota. There will be two other group contests of five states each under the auspices of the Intercollegiate Peace Association, and the winners of the three contests will meet in a final contest at the Lake Mohonk Conference in May. The decision of the Business Men's League to offer a prize to the winner of the St. Louis contest is gratifying to those having charge of the arrangements for the peace congress, as to their judgment this prize will greatly increase the interest in the contest, and incidentally will nearly, or entirely, cover the expenses of the winner's trip to Lake Mohonk.

The Intercollegiate Peace Association's president, Charles F. Thwing, president of the Western Reserve University of Cincinnati, Ohio, has been invited by the program committee of the Fourth American Peace Congress to deliver an address on some phase of internationalism.

A state committee has been organized in each of the fifteen states in the Intercollegiate Peace Association.

Alton Martin, '16, has been obliged to leave school on account of a broken ankle.

## Huskers Become Valley Champions By Score of 18 to 16

Special to the Daily Nebraskan:

LAWRENCE, Kans., March 11.—Nebraska clinched the Missouri Valley championship last night by winning the second game of the post-season series with Kansas by the score of 18 to 16. The game was one of the best that has been seen on the local floor in many seasons and was played before a large crowd. The contest was very fast, but free from exceptional roughness. The feature of the game was the playing of Haskell for the Cornhuskers and Sproul for the Jayhawkers. The game opened with Kansas taking the lead, only to lose it after the first score. A long shot by Haskell put the Cornhuskers in the lead and from then on they were never stopped. The Jayhawkers trailed about but could not even tie the flying Cornhuskers.

In the first half Kansas only made one goal which was thrown by Weaver from the center of the court. Sproul scored five points on free throws which brought their total up to seven. Stryker, Hawkins, and Haskell each scored a goal in the first half and Haskell also threw one free throw. The first half ended with the score 9 to 7.

The Jayhawkers came back in the second half with the characteristic rush and Sproul scored his first goal of the game. Then Haskell as a result of the fouls of the Kansas men threw seven free throws which virtually decided the contest. Captain Greenlees was removed from the game in this period on account of having four personal fouls against him and Smith was sent in as a substitute. The feature of this half was the defense of the Kansas guards who held the Nebraska team down to one lone goal. Stryker the big center, made this sensational basket. The Nebraska team entered the contest brim full of confidence, which never deserted them. On the other hand their opponents, with last night's defeat staring them in the face, entered the game a little off of the edge.

Sproul, Weaver and Greenlees scored for Kansas, while Stryker, Haskell and Hawkins did the stellar work for the Cornhuskers.

The third game of the series will be played at Manhattan Wednesday night.

Hyland of Iowa refereed the game, while Quiggley of St. Marys, umpired the contest.

The score:

KANSAS			NEBRASKA		
	G.	FT.		G.	FT.
Hite, L.F.	0	0	Haskell, L.F.	1	8

### WILL BANQUET FRIDAY

Commercial Club To Entertain Prospective University Students In Spacious Dining Quarters.

BY C. L. YOCHUM.

The third annual High School Basketball Tournament promises to be the biggest and the best meet ever held. With the Lincoln Commercial Club, the Alumni Association under the leadership of Secretary Kline and the various fraternities all boosting, this meet will far exceed all others. The Commercial Club is going to give a banquet to the visiting high school athletes next Friday in their spacious dining hall. Tickets will be free to all high school men registered in the tournament but a limited number will be sold to the University students for one dollar a plate. This banquet will not be a dry, drawn-out affair, but will be a sort of a "mixer", giving the different men a chance to meet each other and get acquainted.

The Alumni Association is taking an active interest in the meet. Secretary Kline is very enthusiastic over the tournament and is doing a lot of boosting.

Quite a number of the Greek letter men are going to stay over Saturday in order to take in the meet and also to get better acquainted with the younger prospectives. Not only are the fraternity men going to stay but the greater per cent of the student body is planning on waiting for their home team to win the championship.

The outcome of the tournament is nothing less than a conjecture. Although the larger schools seem to have the advantage, this is not always the case, for last year there were several surprises in the meet. From the dope as it stands on paper the championship might go to University Place, Omaha, Auburn, Newman Grove, Fremont, Norfolk, Fairbury or Central City, but there is no certainty of victory for any of these. One team might be seriously handicapped by the floor or by having a couple hard games in succession. At any rate there will be great excitement from the time of the first whistle Thursday afternoon at 1:30 P. M. until the final blast next Saturday night when the trophy will be presented to the winner.
