BATTLE ROYAL BEGINS

THIRD ANNUAL STATE HIGH SCHOOL TOURNAMENT OPENS TODAY.

FAST GAMES EVERY MOMENT

Two Contests Will Be Going All the Time—Many of Fastest Scheduled for Today.

BY C. L. YOCHUM.

Everything is in readiness for the third annual high school basket ball tournament to start off promptly at half past one this afternoon. Several teams arrived in the city yesterday afternoon and evening from far out in the state. Officials have been appointed for all of the games except the last few and these will probably be assigned their games tomorrow.

The schedule of games has so been arranged that there will be few minutes lost between halves. A new game will be started every thirty minutes and a change of teams will take place every fifteen minutes. This means that there will be a continuous performance with no between acts.

Each team must be on the floor fifteen minutes before the time scheduled for its game and each manager must report to the clerk of the tournament. The managers are also requested to report to Guy E. Reed and receive passes for players. The Y. M. C. A. has very kindly granted all privileges of the association to the visiting athletes and cards will be given out by Manager Reed.

The games will begin this afternoon by Lincoln playing West Point in the Armory. Dewitt will clash with Osceola at the same time in the Chapel. Other games following in the order in which they were drawn.

The winners of this afternoon's games will play Friday morning, the first game starting at 10 o'clock.

Kansas Takes Third of Series at Manhattan--30 to 24

Special to the Daily Nebraskan from C. G. Wellington, K. S. A. C.

MANHATTAN, Kans., March 12.—Kansas revenged on Nebraska in the third game of the series here tonight by winning a 30 to 24 contest. The game was as rough as football and Kansas had the advantage.

Excessive fouling was costly to the Cornhuskers and enabled Kansas to keep a safe lead that Underwood and Haskell could not overcome. Hyde was ruled out on personal fouling in the second.

Nebraska was coming strong in the last period, but could not hold the pace and finished fighting hard, but unable to pick any goals out of the melee. Underwood led his team with four field goals with Haskell second with three field goals and four free throws. Hyde shot one goal and Stryker two when he relieved Meyers at center.

The crowd would not have been surprised if all the players had been ruled out. Kansas made eleven fouls and Nebraska fourteen. Sproul worsting Haskell. Greenlees and Hite were Kansas stars. Referee Hyland did not please the crowd or players with his work. The savage work added to the interest, but made easy chances at goals impossible. Both teams earned their scores. Kansas outfought Nebraska—that's the story.

GLEE AND MANDOLIN CLUBS TO MAKE SHORT TRIP

Three Days' Trip Through Central Portion of State.—Aurora, Grand Island and Fremont On Schedule.

Next Tuesday thirty-five members of the Glee and Mandolin Clubs leave on the Burlington for a three day trip through the central part of the state. This will be the first trip of the club since its reorganization four years ago. The club is under the leadership of Prof. Mills of the Conservatory of Music with J. F. Mead as manager. They give an entertainment at Aurora on March 18th, Grand Island on March 19th, and at Fremont on the 20th.

The management has found considerable difficulty in getting dates and their trip is rather limited. As added attraction Byrne Marcellus will accompany them in his role of reader and H. A. Rosenbaum will render several piano selections. The club is contemplating a further trip later in the year which will be more extensive.

VACATION NEXT WEEK

Most Student Will Go Home Friday—Mid-Semesters in Two Weeks.

Spring vacation begins Monday morning, March 17, at 8 o'clock, and ends Saturday noon, March 22. From March 31 to April 5, mid-term examinations will be held at the discretion of the instructors.

Vacation is held a week earlier this year than last, but as the weather is promising, everyone may expect a delightful, even if brief, respite from school. Upon returning to school, there will be one week for study before the mid-term tests.

RELAY TEAM LEAVES TODAY FOR ST. LOUIS INDOOR MEET

Have Last Workout Last Evening—Will Run Saturday Night.

The relay team which is to go to St. Louis tomorrow has finally been chosen by Coach Reed. The men who will uphold the honor of the Cornhuskers will be Clark, Beaver, Zumwinkel, Bates and Itacely. The meet which is one of the most important to be held in the Missouri Valley this season will be held Saturday night under the auspices of the Missouri Athletic club. The Nebraska team will compete with teams from Kansas university, Missouri university, and Washington university. In addition to the college athletes present there will be about fifteen Olympic stars who will compete in the different events.

Coach Reed took the men out last night for their final workout before they leave for St. Louis in charge of "Andy" Anderson, who has been assisting Reed this week. Not having much information on the other teams the coaches are not certain as to just what Nebraska will be able to do, but the condition and general speed of the team as shown in late trials warrants the assumption that they will give the rest a hard tussle for first or second place.

At a meeting of the committee on Student Organizations held Tuesday, the following action was taken and officially sanctioned by the committee.

Frank Kruse, acting in the capacity of business manager of the Junior play, has knowingly failed to comply with the regulations governing the handling of accounts of student organizations and has failed to keep his accounts in such a form that they could be audited. In view of these facts he is in the future debarred from holding any position of financial responsibility in any student organization.
