Article III.—No student shall be pledged or initiated without the approval of the president of the council to whom the name of each prospective member shall be submitted at least one school day in advance.

Article IV.—a. The pledge of any man who fails to make twelve hours during either semester of his freshman year shall be automatically removed, provided, however, that he be given six weeks in which to remove "conditions" and "incomplete" and thus bring his record up to the required twelve hours. b. Article V.—All violations of this agreement as herein set forth, shall be dealt with and penalty imposed by the executive committee of this council.

Article VI.—This agreement shall be binding upon all fraternity men, both alumni and active, and shall have the same force and effect as if subscribed to by the several fraternities composing the said inter-fraternity council.

Article VII.—An inter-fraternity scholarship board shall be created, to be composed of the active representative from each fraternity in the inter-fraternity council. This board shall have the power to adopt such rules and regulations as it deems necessary to raise the scholarship of the fraternities.

Article VIII.—No fraternity shall rush, pledge, or initiate any student of the university who is registered in a secondary school only.

Article IX.—Beginning Monday of the third week in any semester no new student shall be entertained within or without the chapter house by or in the interest of any fraternity, later than 6 o'clock p. m. on Mondays, Tuesdays, Wednesdays and Thursdays.

Article X.—No new student shall be met at the train by any fraternity man (with the single exception of one brother meeting another brother)

Article XI.—High school or prospective university students may be enter-

Article XII.—The school year of 1913-1914 shall be the last year of freshman pledging and initiating.
