

**Electricals Win  
Championship of  
Engineers, 14-7**

The first game of the series of games between the engineers department was played early yesterday morning between the agricultural engineers and the civil engineers. This game was quite a little one-sided, the score being 10 to 3 in favor of the C. Es. Wirt and Huston were the battery for the farmers while Krajek and Morrison worked for the C. Es.

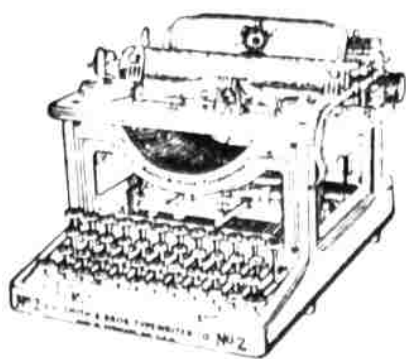

The second game was played between the mechanical engineers and the electrical engineers and was a bitterly fought contest. Keefe did the pitching for the M. Es with Dow behind the bat while Tunks did the twirling stunt for the E. Es with McCullough back of the plate. Tunks won his own game in the last half of the sixth by making a beautiful drive to right field scoring McCullough. Beck also featured in this contest by making a home run in the fifth inning with one man on a base. The score was 6-5 in favor of the electricals.

The championship game was played at the State Farm in the afternoon, and resulted in a victory for the E. Es by 14 to 7. A large crowd, including Dean Stout and several other faculty members, witnessed the game.

This game went the full nine innings and was closer than the score indicates. Tunks did some good twirling for the E. Es.

Batteries: E. Es' Tunks and McCullough. C. Es', Schiefel, Krajek and Morrison.

**Preserve Your College Work!!**

The L. C. Smith & Bros. Typewriter is invaluable to college students who want a record of their college work after graduation.

We give special attention to the needs of students. We have typewriters to rent, as well as to sell. A few rebuilt machines at a bargain.

**L. C. Smith & Bros. Typewriter Company**

125 North 13th Street  
LINCOLN, NEBR.
