This co-ed with stern, determined mien
Lured by the P. B. K. key's golden sheen,
On books and study bends her energy
Hoping said key will reward her industry.

This fair co-ed with winning smile
Doth many foolish youths beguile
She cares not for Greek or Philosophy
She majors in men and society.

You Don't Pay for the Name

When you buy a Spalding Athletic Article, as some dealers who are after bigger profit on Athletic Goods would have you infer. You pay for—and get—honest workmanship and material. The name--- as evidenced in the Spalding Trade Mark--- is put on as a guarantee of what you pay for.
