HUSKERS TRIM OMAHA

IN FOUR INNING GAME THE MEN OF STIEHM PROVE EASY VICTORS.

RAIN INTERRUPTS GAME

Downpouring Showers Dampens Ardor of Enthusiasts—Score of Only 13-1 Results.

In a four inning contest which was nothing short of a good farcial comedy the Cornhuskers took the University of Omaha for a good drubbing by a score of 13 to 1. The game was called at the end of the fourth inning on account of the great torrents of sky juice which completely filled the atmosphere.

Omaha was unable to see any of Jimmy Rodman's slants and made three outs on easy pop ups. In the last half of this inning the Huskers immediately scored two runs.

The second inning was little better for the visitors and they succeeded in fanning the ozone for three beautiful strike outs.

The Huskers duplicated the first inning in this and gave over the bats to the Omaha lads.

The third inning was a duplication of the first two for the lads from the metropolis but the Huskers got on their hitting clothes and after a couple of two base hits by May and Captain Towle intermingled with a single or two the locals were able to score six runs.

In the fourth frame a three base hit by Percival and the second hit of the day off Rodman saved the visitors from a shutout. Frank for Nebraska secured a three base hit and three tallys were counted in this inning.

The fifth inning was started in the rain but only one man got to bat for the rain fell in sheets driving the 51 fans to the grand stand for protection.

The line up:

Sophomore Class to Abandon Hop Because of Conflicting Dates

The Sophomore Hop committee have decided to abandon the class hop this semester. It has been found impossible to secure dates at Capital Beach on account of so many other dances being held there and it was therefore deemed advisable to discontinue the project. Instead there will no doubt be a dance held early next semester under the present administration.

The Sophomore class is handicapped by a deficit of $65 hanging over from last semester and with the numerous events yet to be held by various organizations the risk is too great to take any chances of increasing the debt. An attendance of reasonable diminsions cannot be assured and without this it would be fatal to proceed further in the matter.

The freshman class have almost decided to abandon their hop of May 17 for similar reasons as they have also come to the conclusion that there are too many other functions during the remainder of the semester. The Junior Relief Hop will take place upon May 16 without fail as this is necessary to raise sufficient funds to get the class out of debt. The tickets for this event have been on sale for the past week and quite a number have been sold.

The combined Senior masquerade and hop will be given upon the evening of May 20. The fact that it is the night before Ivy Day will do much to swell the attendance at this dance so that it is also assured of success.

ASSISTANT PATHOLOGIST

Former Nebraska Girl Is First Woman To be In Complete Charge of Field Experimentation.

Venus W. Pool, A. M., '03, has been sent out by the government in charge of field experiment on the diseases of the sugar beet in Colorado. She is assistant pathologist in the department of agriculture and is the first woman to be sent out in complete charge of any field experiment work. Recently a government bulletin has been published giving the results of Miss Pool's study on the sugar beet diseases.

German Dramatic Club Donates $10 From Play for Art Studies

The German Dramatic club has appropriated $10 from the funds secured from their successful presentation of "Die Journalisten" and has made a present of the same to the German department. The money will be used to purchase art studies to be placed in the study rooms and class rooms of the Germanic students.

Miss Heppner, who was abroad last summer will probably be intrusted with the selection of a suitable gift. It may also be used as the basis of a fund to buy something more expensive such as a bronze statue or large picture.

University Men to Discuss Solution of Liquor Question

Five University men will duscuss the proper solution of the liquor question in the Temple theater, May 5th, at 8 o'clock. The orations will be judged by three Lincoln men not connected with the University. Prizes of $25 are offered by the Lincoln W. C. T. U. under whose direction the contest is held.

The discussion promises to be snappy and well worth the hearing. The admission is free and all those interested should make it a point to attend.

CHI OMEGAS DO CIVIC WORK

Othopedic Shut-Ins Are Object of Their Attention.—Give Children Holiday Celebrations.

Chi Omegas everywhere are interested in social and civic work and Kappa chapter is no exception to this rule, as its memmbers have undertaken work at the Orthopedic Hospital, centering their efforts upon the children. Sunday was chosen as the best day for this work, as many of the children go to school all week. Chi Omegas read, tell stories, and sing to them and take them flowers, cookies and inexpensive gifts, which to the girls mean little sacrifices, but bring joy to the little shut-ins.

At Christmas and at Easter, appropriate celebration have been arranged.

The work is so divided that different girls go each Sunday and the children have their favorites and watch for them each week.

FETE DAY UPON MAY 17

NEBRASKA H. S. ATHLETIC ASSOCIATION MEET HELD AT THIS TIME.

EACH SCHOOL SENDS TEN

Gold, Silver and Bronze Medals Given to Winners—Commercial Club Makes Appropriation.

Fete Day, the occasion on which the Nebraska High School Athletic association meet is held on the Nebraska track has been set for May 17. On this day any student that is a member of the Nebraska High School Athletic association and eligible under its rules and regulations is entitled to enter the meet. A successful contest from the competitors viewpoint, is assurred in consideration of the fact that the new cinder track is in excellent condition and that no weather conditions can have any material effect upon the events.

Each school is allowed to enter ten men with no more than two starting in each event. Gold, sterling silver and bronze medals will be given to the winners of first, second and third places, and silk badges to the winners of fourth places. A banner will be awarded to the winning relay team, no individual medals being granted to the individual members of such team. A larger banner will be presented to the team winning greatest total number of points.

The Lincoln Commercial club, in order to retain the annual meet in Lincoln, has made a large appropriation to cover the local expenses of the meet and the University donates the use of the athletic field and the track equipment. Every effort will be made by the University authorities to make the meet and Fete Day in general an enjoyable occasion to all visiting high school students. The following is the order of events:

Track Events: Preliminaries and semi-finals in 100 yard dash, preliminaries and semi-finals in 120 yard hurdle, 880 yard run, finals in 100 yard dash, finals in 120 yard hurdle, preliminaries in 220 yard dash semi-finals in 220 yard dash, finals in 220 yard hurdle, 440 yard run, one mile run, one-half mile relay (teams to consist of four men, each man to run 220 yards).

Field Events: Pole vault, 12 pound shot put, running high jump, discus throw, running broad jump, 12 pound hammer throw. Field and track events will go on together, but as much allowance as possible will be made for contestants where events conflict. In order to avoid danger to spectators and contestants in other events the hammer throw will be contested on the morning of the meet starting at
