★ TENNIS FOR GIRLS. ★
★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

University Girls' Tennis Association was formed two years ago. It has, at present, an enrollment of about sixty members. Owing to the fact, however, that the girls have the use of only one court, but a small percentage of this number is able to arrange playing hours. At a tournament held last fall Miss Hazel Melick carried off the trophy. Subsequently, she was defeated by the champion of last year, Miss Lottie Savage who still holds the championship. Because of the lateness of the season and the inadequate accommodations for practice, it is improbable that a spring tournament will be held.

What Nebraska needs is more and better located tennis courts. It is hoped that, when the question of extension is finally settled, some provision will be made for this deserving sport.

WOMEN IN PHARMACY

Pill-Rolling College Invaded By Girls—Prominent in Pharmaceutical Society Activities.

The Pharmacy School when first organized six years ago, had but one woman registered in it, now there are four girls rolling pills. The would-be masculine haunts are frequented by these professional women, and during the past four years there have been two girls presidents, two girl vice presidents, four girl secretaries, and of course always girls on committees of the Pharmaceutical Society.

Two girls have taken degrees from this school, namely, Miss Elsie Day, B. A. '07, received her Ph. G. degree in '09, and Miss Florence Thorpe in '11. Miss Day is now instructor in the department teaching Pharmacognosy,

Manufacturing and Elementary pharmacy. Miss Florence Thorpe is following up the profession in Fromberg, Montana.

Two degrees will be given in June, a Ph. G. and B. Sc. in Pharmacy

John W. Field, A. M. '11, sails for Europe this summer where he will spend two years in research work, gathering material for his doctor's thesis on "A Phase of the French Revolution."
