Spring Football Squad
Works on in Spite of
Warm Weather

While baseball, both varsity and interfrat, have been occupying the center of attraction for the past couple of weeks the football squad have worked diligently in the hot spring sunshine. Yesterday the squad of about fifteen men were present under the efficient tutelage of Dewey Harman, last seasons tackle.

After punting and drop kicking the ball for a while the squad was lined up and put through a peppery signal practice. It almost made one feel that fall had come again.

The squad which first reported has diminished but little and in order to reward them for their efforts Coach Stiehm has proposed to give prizes or trophies to the winners in a spring football contest to be held soon. In this contest it is planned to have several events, including punting for distance, drop kicking, and passing the ball. In the punting and drop kicking contests the winners are to be presented with loving cups.

Racely Unable to
Enter Handicap Meet
Held This Afternoon

Nebraska track stock took another slump last night when George Racely tore the muscles loose in his left leg as he was finishing his workout for the day. The injury although not preventing him from using that member is quite painful and will keep him out of track work the rest of the season. A similar injury last year kept him from finishing the season. This accident will be a great handicap to the Cornhusker team for Racely was one of the fastest men on the track here this year. Besides running the 220 and 440, he also ran one of the quarters in both the half and mile relays.

The track was in fine condition last evening from the previous packing rains and the weather permitting, some good work will be seen on the Athletic field today in the handicap meet which starts at 2 o'clock.

Quite a number of men have entered the hundred yard dash and the handicaps ranging all the way from two to six yards. The other races have handicaps in proportion to the distance run. The total number of entries for the meet today number more than seventy-five.

FETE DAY UPON MAY 17.

(Continued from Page 1)

11 o'clock. Only actual contestants in this event and their attendants will be admitted to the field. Contestants are advised not to enter more than three events.

FOR CITY COMMISSIONER

JOHN H. MOCKETT, JR.
University of Nebraska '87

date for Councilman or member of the City Commission, is one who deserves the vote of every student. An alumnus of the institution, he has repeatedly shown himself a true friend of the University.

In the late session of the Legislature he was a member of the conference committee which finally reached a satisfactory solution of the University question. He was a leader in the work which gave the University a three-quarter mill levy.

The following five named candidates for Councilmen are the only ones who are unconditionally pledged to the municipal ownership platform, and are endorsed by the Municipal Ownership League:

O. J. KING
O. W. MEIER
DON L. LOVE
ROBERT MALONE
ELLIOTT LOWE

The Municipal Ownership League, that led the successful fight for the commission form of city government; that led the successful fight against the Gas Company's 59-year franchise; that secured the amendment to the city charter permitting the city to own and operate its own gas and lighting plant; that led the fight against the raise in telephone rates, saving to the citizens of Lincoln since January 1st this year \$20,000 in telephone rates alone; now appeals to you to vote for the five named candidates above and assist the League in establishing a conservative and businesslike program of municipal ownership of public utilities for the City of Lincoln.
