

### A. T. O.'s and Delta Taus Win in Inter-Frat Games Thursday Afternoon

Games in the inter-frat league were thick and furious yesterday. In the first division the Alpha Tau Omega team kept their lead over the other teams by winning from the Beta Theta Pi nine.

The first game of the day was played between the Delta Taus and the D. U's. The Deltas defeated the Delta Upsilon in a fast game by a score of 4 to 3. Hugg pitching for the Deltas struck out thirteen men. McGurk played a good game in the field and his hit in the last inning brought in two scores winning the game. The batteries were Hugg and Hager for the Deltas, Thompson and Shoemaker for the Delta Upsilon. Each team were accredited with three errors.

Next the Alpha Tau Omega team met and put to flight the Beta Theta Pi nine in a fast and exciting game which resulted in a 5 to 3 score for the former. Neighbors sent ten Betas back to the bench on strike outs. Chamberlain sent six Alpha Tau Omegas out by the same route. Barnes' great work in center field was the feature of the game. Umpire E. Leslie Hyde.

The second game of the day was played between the Sigma Phi Epsilon and Sigma Nu teams which resulted in a victory for the former by a 6 to 5 score. The game was marked by no features except the beautiful catches of foul flies by Strain. The batteries for Sigma Phi Epsilon were O'Keefe and Morrison, and Cook and Patterson for the Sigma Nu team.

The Sigma Alpha Epsilon team met the nine from the Phi Delta Theta

### Komensky Club to Go For Big Picnic on Blue River at Crete

Arrangements have been made by the Komensky club for a big picnic on the Blue river near Crete. The party will leave Lincoln Saturday morning and will be met at Crete by a flotilla of launches belonging to members of the club who reside in Crete. In these they will go up the river about three miles to the place where the festivities will be held.

After the customary "eats" the afternoon will be spent on the river in launches, row boats, canoes, and other craft by those who care for pleasures of an aquatic nature. For those who are not so venturesome there will be amusement provided in the shade of the grove along the back of the river. In the evening and far into the night there will be a dance with music furnished by a local orchestra.

Last chance to hear the University Glee and Mandolin club in the "Blot of Harmony" at the high school auditorium next Saturday night, May 10. Get tickets today at the University Y. M. C. A. in the Temple building. This concert is given under the auspices of the Lincoln High school Y. M. C. A. club.

Artistic dance programs and menus for particular people. George Bros. Printers, 1313 N street.

house in a twilight game. The Sigma Alpha won the game by a loose score of 3 to 2. Graham pitched for the Sigma Alphas while Carlson held the reputation of the Phi Deltas.

During recent years, perhaps no Art has made greater advancement than has photography. True, there are still those who are content with mere impressions, but the appreciative public are demanding from the progressive photographer something more than this.

Platinums in sepia and Art proofs in India that are but two styles and effects in portraiture that demonstrate this progress.

The study of light and shade and its relationship to form is most interesting.

The fact that Mr. Townsend has made a life study and has in every department of his studio an expert is sufficient reason why there is a naturalness about his portraits that make them reproductions true to life.

This is the season of all seasons of the year when, with your prettiest gown and sweetest expression you should preserve the present for the future.

C. H. Frey, University florist, 1133 O st.
