**FETE DAY MEET SATURDAY**

ANNUAL HIGH SCHOOL FIELD MEET COMES DAY LATER IN WEEK THAN USUAL.

**GIVE MANY MEDALS TO WINNERS**

Final of State League Debate to Be Held Friday Evening—Many Parties Planned for Week End.

On next Saturday afternoon will occur the annual high school fete day which will be a grand gala affair if all the plans are carried out as anticipated. The meet as in preceding years will be held on the Nebraska field and all athletes of Nebraska who are students of high schools incorporated in the Nebraska High School Athletic Association are eligible to this meet.

Beautiful gold, sterling silver and bronze medals will be awarded to first, second and third place winners respectively. A banner will be donated to the winning relay team, although no individual medals will be given to the members of the team. The school winning the greatest number of points will be awarded a large beautiful banner.

The track and field events include all of those found in intercollegiate contests, namely, dashes, runs, hurdles, and field events. Five, three, two and one points will be given to those winning first, second, third and fourth places, respectively.

Nebraska high school fete day is one of the greatest events in the lives of Nebraska students, university as well as high school students. There is no doubt that the fraternity men will take advantage of this opportunity in view of the fact that this affords an excellent time for university men to note the athletic qualities of those who are to enter the University later. Several house parties have been planned by the different fraternities and sororities.

**Baseball Squad Hard at Work Getting in Shape For South Dakota**

Wet grounds and the general prevailing wet atmosphere of last week gave the baseball squad quite a little rest and likewise prevented them from meeting Kansas in the game scheduled for two different days. But this week the squad are busily at work in preparation for the strong South Dakota team which will journey into home territory next Saturday. The game has been announced for 10:30 in the morning, not evening, on account of the high school track meet to be held in the afternoon.

The varsity will meet the freshman team again this week if nothing prevents and will attempt to redeem the many scores made in the last skirmish.

Men who have not paid in their subscription to the University Y. M. C. A. should pay them to H. S. Reese, chairman of the finance committee, or call at office.

**Track Men Out Daily-- Will Meet Gophers at Minneapolis Saturday**

Following the overwhelming defeat at the hands of the strong Jayhawker track squad last Saturday the Cornhuskers have been diligently at work in preparation for the meet to be held with the University of Minnesota at Minneapolis this week-end. The Gophers are more or less an undecided quantity but they can be depended upon to give the Cornhuskers a good close contest.

Earlier in the spring the Missouri Tigers met and easily took the Gophers into camp by the one-sided score of 80 to 28. This was the first meet of the season and Gophers were in very poor condition, the southerners having the advantage of more outdoor practice. Consequently Coach Reed is not putting much faith in newspaper reports but is putting his squad through the paces every day. The Gophers have a good sprinter and middle distance runner but outside of that their strength is more or less of a puzzle.

The following men will constitute the squad making the trip to the Gopherland but this list is subject to change: Reese, Zumwinkel, Beaver, Howard, Anderson, McMaster, Meyers, Linstrum, Reavis, Gross, Bates and Goetze.

The Missouri Valley conference meet this year will include Chicago and Illinois in addition to the old members. These two schools will no doubt change the aspect of things for Chicago is strong in the events that Cornhuskers depend upon in main. Illinois has a very strong aggregation too and the entrance of these two schools may so divide the points that the result as now doped out will be materially changed.

The basketball sweaters awarded by the athletic board some time in the past will reach Lincoln the latter part of the week and will be distributed to the owners upon arrival.
