Books About Campus for Correction of Student Directory.

The Students' Directory, which usually comes off of the press late in the first semester, will be ready much earlier this year because the State Farm Directory will not be included. Today tables about the campus will be in charge of Business Manager J. C. Beard and his associates, G. S. Everts, R. O. Canaday, H. M. Diers, H. G. Hewitt and a representative of the Y. W. C. A.

Those in charge of this work will not be liable for names and addresses

not registered in the Registrar's office or at the tables. Neither will they be held responsible for incorrect information. Fraternities, sororities, and other social organizations are helping in the work by sending in lists of their members. If everything goes well and the students help in this work copy will be ready by Saturday night.

Three hundred corrections were made Tuesday and many more are expected today.
