**ENGINEERS RECONSTRUCT
 CONSTITUTION FOR THIS YEAR**

Committees Are Appointed and Interest Aroused by Officers of Society.

On account of the inefficiency and lack of interest on the part of the members as well as those serving on committees last year, the constitution of the Engineering Society and other minor details concerning its welfare have been reconstructed and a new foundation put under things. Under the new constitution it is the purpose of the society that each department of the engineering college shall become responsible for their portion of interest and enthusiasm displayed in the Engineering Society.

In order to arouse the true spirit of loyalty among the engineers, the various committees and officers have been appointed and are busying themselves with the following schedules for the semester:

Engineers' Smoker, Oct. 17—H. E. Cotton (chairman), F. G. Gunther, W. A. Nelson.

Engineers' Hop—L. A. Hickman (chairman), L. W. Harte (M. C.), R. P. Wagner.

Orpheum Party—W. A. Bauman (chairman), H. F. Kramer, C. A. Atwell.

Membership Committee of Engineers' Society—L. S. Phares (chairman), G. E. Thompson, L. E. Ickman, Charles Wohlford, D. P. Weeks.

In view of the fact that the Engineering Society holds its regular meetings on Thursday of the third week of each month, and that each department in turn has charge of the program, the following schedule has been made and approved to avoid any conflict or misunderstanding on the part of the various branch societies:

- Oct. 15—U. N. S. C. E.
- Nov. 19—A. S. A. E.
- Dec. 17—A. S. M. E.
- Jan. 21—A. I. E. E.
- Feb. 18—U. N. S. C. E.
- Mar. 18—A. S. A. E.
- Apr. 15—A. S. M. E.
- May 20—A. I. E. E.

FEMALE RACQUET TOURNAMENT ALSO ON THE SCHEDULE

Will Begin October 25 After the Men's Finals Have Been Played.

Another field of athletic activities will be invaded by the co-eds when they will hold their tennis tournament Saturday, the 25th. The aim of Miss Gittings and Miss Pound, who are managers of the affair, is to encourage more girls to play the game.

It has been announced that Misses Lottie Savage and Linklepaugh, who are considered champions, will not enter the contest, so the average players will have a good chance of reaching the finals. Those who wish to get in practice may use the courts near the football grounds.

Civil Engineers, Attention.

The C. E. division of the Engineering Society will hold their first meeting in M 206 tonight at 7:30. This meeting is an important one and a good attendance is urged. Freshmen and sophomores should be there and acquire an early interest in this society. Committee.
