DAILY NEBRASKAN FORUM.

There has been no demand for a Forum column this year. In other years the columns of the paper have always been open to students and faculty for discussions pro and con on popular questions. The inference is, then, that there have been no questions to disturb the calm and peaceful way of the University this fall. Or else that the student mind does not care. Therefore, to test whether there is no demand for such a column, or whether there is a demand but it has not been generally known that the privilege was to be had merely for the asking, the offer is repeated. Any articles signed by the writer will be given space, and the paper will not be responsible for the sentiments expressed.

JOINT RECEPTION A SUCCESS

Association Scores a Big Hit With Many Students in Attendance.

The joint reception of the Y. M. and Y. W. C. A. held in the Temple Music Hall Saturday evening was a decided success, nearly three hundred young people being in attendance and an enjoyable time is reported. An interesting program consisting of a piano solo, a reading by Miss Hally Workman, short talks by Miss Graham, Miss Drake and Mr. Ewing, was followed by refreshments which consisted of doughnuts and cider. The feature of the evening was fortune telling by a palmist. The success of the entertainment is due particularly to the work of Mr. Ganz and Miss Lowry.

Cadet Officers Getting Organized Into Club--- Ball Committee in Air

A meeting of the officers of the regiment last night after the completion of the extended order problem resulted in the organization of the Officers Club. The election of officers resulted in the followign slate: President, Col. Kramer; vice-president, Capt. J. L. Driscoll; secretary, Lieut. Col. G. A. Walker; treasurer, Capt. H. Miller.

The election of the committee for the Military Ball was deferred until Monday, since the opinion was expressed that there was not a sufficient ant. Two candidates are in the field majority of the officers present to warrant action on a question so important for the office of chairman of the committee, and one for master of ceremonies. A political ring is going round and round, and although the election of officers of the Officers Club went off without a hitch, the committee election will create spirited opposition. Dawson and Kramer are the candidates for chairman, and Joe Johnson is looking out for the m. of c. job.
