

ANNUAL MASSACRE BEGINS

CLASS FOOTBALL VOLUNTEERS CALLED OUT YESTERDAY FOR FIRST TIME

GAMES SCHEDULED SOON

Will be Played the Week Previous to Iowa Games—Doped to be Fast Contests.

Preparations for the series of class football games are under full swing. Each of the four classes has issued a call for volunteers, and have men with a hearty response, the men showing exceeding willingness to bring glory to their classes and perhaps a mackinaw or sweater to themselves. The dates for the games have not been decided upon as yet, but it is likely that they will be played the week before the Iowa game.

The members of each class are loud in the declaration that their team will be the winners, and the men in charge are confident that they will return the winning team, some go as far as to state they would be willing to meet the pick of the Big Nine.

The seniors are confident that their team will have everything their own way, boasting of several old heads at the game, and offering as a surprise a varsity man from South Dakota, of whom they expect great things. Manager Raelly, who is one of the old heads well known in one ball circle here, states that the seniors will be the winners, "hands down."

The juniors, headed by Otto Zumbel, claim that they can come back and win again this year, although the men who won last year for the sophs are not all out for the junior team. The manager modestly states that he will be a team of stars.

The Sophs have been working hard the past week and feel sure of turning out a team that will make a name for itself. There are a number of last year's men out, but more material would be welcomed.

The freshmen have a number of men out for practice, including men who were stars on their high school teams. The prospects for the team are bright as the men are working hard. The wearers of the green say

that if their team is defeated it will be because of over confidence, not on account of being out classed.

TIME OF APPLICATION FOR MANAGER EXTENDED

Glee Club Wants More Applicants and Statements of Former Business Experience

At a meeting of the Music committee yesterday it was decided to ask for further applications for student manager of the Glee club. This does not mean that the ones who have already applied will not be considered, but rather that a few more applicants are desired. These applications will be received by the Registrar till Thursday noon, November 13, and must contain a statement of the applicant's qualifications, i. e., his experience as a manager of some similar organization. The committee desires that the young men who have already applied fill out a like statement and hand to the Registrar before Thursday noon. They also desire that all the applicants make out a prospectus of their plan for arranging a trip and hand it in with their application.

SAENGERFEST IDEA A SUCCESS.

The "get together" or "Saengerfest" held in the Temple last Sunday afternoon was a success and the attendance as fully up to expectations. The fellows got together at 2 p. m., sang around the piano, and listened to a talk about the week of prayer by the general secretary, Mr. Ewing. This club idea has been in charge of Cloyd Stewart and its success must be credited mainly to him.
