

Good Thing You Waited

THEN

BEFORE we proved to the contrary, many men put ready-made clothing in the same class

with clothes we tailor to individual measure. They have since learned the difference.

--and NOW

"taboo" machinery-made clothing turned out in large lots which may "fit" some men whose bodies happen to be the same size.

We cut and tailor suits and overcoats to fit the man for whom they are made; but ask no more for them than the other kind.

Let us show you where the difference comes in--it's worth knowing.
