**WHEN YOU GO HOME** for Thanksgiving, go home well-dressed. As a college man you have a reputation to sustain as a smart dresser.

We are ready and anxious to contribute our assistance---our matchless store service---and anything in our extensive assortment of up-to-the-second apparel---to complete or improve upon your holiday "front."

See us before Thanksgiving!

Something new in Overcoats---an American improvement of the London Balmaccan model. It buttons up to the neck with a turn-over collar---flaring skirts---loose back---roomy under the arms. We show it in some dandy Scotch mixtures, tweeds, chevions, etc.---some of them cravenetted. It's the smartest college man's garment of the season.

**\$20, \$22.50, \$25**

**MACKINAWS**---Schuerman's or Marx & Haas---the foremost designers and tailors of Mackinaw coats in the country. Ours have sold like hot cakes, but we received a big shipment yesterday to meet the Thanksgiving demand. Solid colors or plaids---grays, browns, reds or blues---

Schuerman's \$10, \$12.50, \$15

Marx & Haas \$7.50 and \$10
