#### NEBRASKA SPIRIT .- INDIVIDU-ALITY.

About the poorest exhibition of Ne Silver Lynx, last game. There was no concentrated thes. effort to celebrate the passing of so Helen Sorenson. Miss Sorenson is could not burn bright enough to come of Kappa Kappa Gamma pressed. Where there should have member of Beta Theta Pi. where they were not needed were still a member of Sigma Alpha Epsilon. of real Nebraska spirit. There is no pha Epsilon. doubt but that Nebraskans everywhere rejoiced and were proud of the team kept their feelings to themselves.

The explanation of this extreme individuality of Nebraska students lies 🛧 partly in the decentralized condition of the campus and the general scattered condition of the students thruout the city. Where in some universities \* the students live within a stone's throw | of the campus—wither in dormitories or the student section of a small student-city- Nebraska students are scattered within three miles of the campus. Once off the campus the student | is free and away from all demands of the student activities. He cannot be \* called back except for extreme purposes and by carefully pre-arranged plans of advertisement.

In this last case the purpose was \* extreme enough to justify a sacrifice \*

Western honors does not fall to the lot of Nebraska every year. So it would seem as the advertisement had slipped up, or else the theory of Nebraska spirit is not longer valid. It was a deplorable situation, that fluked rally on the athletic field when there should have been hundreds of students Managing Editor ..... Kenneth M. Snyder there to vent their pride in the team and Associate Editor ...... Fred N. Wells their joy of victory. It was most dis-Associate Editor ... Clarence T. Spier couraging to those who have been endeavoring during the year to stir up the slumbering spirit of loyalty. But it was not a final word on Nebraska spirit. Next season is vet to be looked forward to, and the mistakes of this seasn should serve as examples for next year's enthusiasts.

Since the men of the university did not respond to a general celebration after the game, there is all the more Cornhusker banquet. Remember that, season for their turning out to the and plan to finish the season with the Entered at the postoffice at Lincoln, team at the Lincoln, December the Nebraska, as second-class mail matter, 5th, in celebration for the victories of

### BUY TRANSPORTATION EARLY.

The C. B. & Q. ticket offices wish to urge the students who intend to use the Burlington service during the Thanksgiving recess to purchase their ticket in advance of the day of The ticket will be punched the date the student intends to leave with an understanding that it can be redeemed if different plans develop. If this request is complied with the Burlington promises good service in handling the rush of home-going students
